Due to the restrictions and mandates in place, your child's school may not allow in person classes. With that being said, your school will not approve vendor classes and payment. If you would still like to enroll, you may do so with other payment options. **We have created two –4 week sessions, to reduce the amount of payment due at once.** After two –4 week sessions, we will return to 8 week sessions. Hopefully, by then, the schools will allow in person classes. Email: Events@Stars-Gymnastics.com with questions.
