SUBJECT : **CHANGES IN THE INTEREST RATE**

The Board of Directors always seeking the best direction to bring our Cooperative towards a better future. Thus, to ensure we maintain the same economic stability that has characterized us for many years, we like to inform that we will adjust the current interest rate in savings accounts to 1.00%, effective October 1, 2023,

We will continue to regularly review the interest rates on savings. Everything will depend on the reality of the economy and of the market, always keeping in mind that we continue to be the best alternative in the market.

We take this opportunity to express our appreciation for your sponsorship and to remind our present and prospective members what a great benefit our Cooperativa is. We urge you to continue the saving habit and the prudent use of credit in our Cooperativa.
