Dear Christian Friends:

We are approaching fall of the year and we have begun a new semester with the Bible Institute College Program through Liberty Theological Seminaries International. In the last few months we have seen several men saved, baptized in water, and filled with the Holy Spirit. The heart of our discipleship is to preach and teach the whole counsel of God. This is the only way to bring The United States of America back to God. We desperately need a Biblical Revival. Our history records that we have never been a Christian Nation in the entirety of our population. What has made us a Christian Nation in the past is the fact that we were predominantly a Christian Nation in the grassroots of our population. In other words the majority of our people in the past had a strong Christian Western Civilization world view. This is not the case now. Therefore only turning our people back to God is the answer for The United States of America.

The individual enrollment for classes is close to 300 men at Bullock by itself not counting the other extensions. Our school program is offering 50 group classes and many individual studies for this new semester. Esther and I are called to what we are doing and even though the enemy has tried to discourage us with physical attacks, sickness, and financial attacks; we are still standing. For us, we will give our lives to preaching, teaching, winning souls, and making disciples. There is no retreat or surrender. We continue to pray and to trust God to provide in these troublesome times. Our team of volunteers is small but fights with valor. Our support network of praying and giving Churches is small but consistent. We continue to have a High Success Rate with the Graduates of our Bible Institute College Program.

One of the great blessings that we have received is help from Light for the Lost. They have helped us with finances more than any time in the history of our existence. May the Lord richly bless Rev. Guy Mims, Rev Ed Wilson, and Rev. David Strahan, and Churches that have to Light For The Lost. This has given us the ability to underwrite the purchase of materials for both Evangelism and Christian Education that brings life changing miracles to the men who have been in the bondage of sin for many years.

We thank all of you from our heart for all that you have done in praying, giving and standing with with us. We need your continued support. Our methodology is a proven method of biblical harvest.

We need more help in the following areas.

1. We need more committed volunteers.
2. We need more Pastors, Businesses, Corporations, and Individuals to get involved with us, in the area of prayer, giving, and becoming members of a our Board of Directors for both Alabama Prison Ministries Inc. and Liberty Theological Seminaries International .
3. We need our cash flow income to come from \$1500.00 month to \$4,000.00 per month.

We have continued by sacrifice, non-cash contributions and special grants taking care of literature needs.

  - a. Presentation
  - b. Seminar
  - c. Missions Convention
