This event helps raise funds for the preservation of Autauga County history, such as providing educational materials, tours and ongoing preservation projects.

Since 1976, the Autauga County Heritage Association has sought to preserve the unique history of Autauga County and its residents, and to make history come alive through the Prattaugan Museum, walking tours of downtown Prattville, and the ongoing preservation of historical documents from the Daniel Pratt Gin Company. Without the support of volunteers and a participating community this would not be possible. Help keep our history alive by sponsoring a table at this year's event. Join us at the Annual Low Country Boil, and let's all do our part to preserve the rich history of Autauga County!
