Withdrawal from class: One-Month notice is required to withdraw from class. Withdrawal must be in writing to the director sent by mail, email, or in person. Notifying an instructor does not qualify as a withdrawal and you will be billed until proper notice is provided to the director, Jo Ann Hodge.

Family Discounts available: \$5.00 each individual sibling's fee per month. We do ask that if multiple people are paying for family members dance fees that all monies are brought in together in one envelope at the same time. Multiple checks are okay just turn all fees due in at the same time.

Tuition is based on full academic year (September-May). Once registered, a student is enrolled September-May, and no refunds or reductions will be allowed for classes missed. Tuition will remain the same for each month regardless of how many weeks are in a month. This includes holidays and spring break. Make-up classes are available for illness and should be made up within a two-week period of missing class if choosing to do so. Classes are not pro-rated, and if you are going to be absent for a period of time, the tuition rate is still the same in order to ensure your child's spot in class.

If tuition is not paid by the 7th of the month, it will be considered late and a \$5 late fee will need to be added. No statement will be sent out unless there is an outstanding balance. Forms of payment: Cash, checks, and PayPal. All PayPal transactions should have an additional 3% for their services. A fee of \$20 will be assessed for all returned checks.

Two payment plans are available: 1) pay registration fee \$20 and pay September & May fees up front (The first & last month's of your dance year are due up front.) 2) Pay \$20 registration fee before classes start and this will hold spot then pay eight monthly installments September through April with no dance fee due in May. You are still paying for May fees it's just in eight installments. The director will gladly figure the eight-installment plan if interested.
