

GLORIA

Beautiful, smart and resourceful, Gloria the hippo is a sassy New Yorker through and through. Sweet when she wants to be - and tough when she needs to be - Gloria is the level-headed mediator of the bunch.

When she is not perfecting her poolside swan dives for the public's admiration, she keeps the other animals on an even keel. With friends. Like Alex, Marty and Melman, it is a good thing that Gloria is fully equipped to lay down the law and deliver straightforward common sense.
