24th Judicial District Court Division C Judge June Berry Darensburg and her law clerk Jativian Williams visited with fourth-grade students in Michelle Molina's class at Woodmere Elementary School in Harvey on Sept. 17 for Constitution Day. Darensburg took part through a program of the Louisiana Center for Law and Civic Education and spoke with the students about her responsibilities as a judge.

Fourth-grader Kai Black raises his hand to ask a question. Darensburg and Williams answered students' questions and gave them a fun pop-quiz on civics as part of their presentation.
