# Founder's Day

## Introduction:

Founder's Day this year be the weekend of **January 27 – 29, 2023**. Let's celebrate it with all who knew our Founder and Overseer, Rabbi Louise Elizabeth Dailey. It will be a weekend to remember and honor the founder or founders of CTB. This weekend we are looking forward to celebrating with unique events and activities.

## What is Founder's Day?

Founder's Day is a holiday that commemorates the founding of an organization, company, or school. It is usually celebrated on the anniversary of the founding date. This holiday is an opportunity to remember the accomplishments of the founder or founders and to celebrate the institution's history.

## Why is it important?

Founder's Day is important because it honors the people who help lay the foundation that has lasted for 50+ years. It is also a time to reflect on CTB history and to look towards its future. This weekend is a chance to celebrate the achievements of the past and to set goals for the future.

## How can you celebrate it?

There are many ways we will celebrate Founder's Weekend so save the date! Special exhibits and displays related to our CTB' history, remembering and honoring those who have created something lasting and important.

# Civilian Police Academy

Shalom,

The **Civilian Police Academy** is a multi-faceted, interactive opportunity for responsible Philadelphians to learn what municipal policing is all about. The overall purpose of the **CPA** is to produce informed graduates who will return to their neighborhoods with a more positive view of the police function, and assist them in recognizing the varied problems facing today's urban police officer. The Philadelphia Police Department's **Civilian Police Academy's motto is: "UNDERSTANDING THROUGH EDUCATION AND TRAINING"** where an atmosphere of community spirit is the key to improving the quality of life in Philadelphia.

The **CPA** is **NOT** designed to teach civilians to patrol the streets of Philadelphia, but to aid the trained Police Officer in the performance of their duties by creating an educated citizen who is more aware of the policies, laws and procedures that guide an officer's actions in the community.

The **CPA** consists of nine (9) nightly sessions held once a week. Some of the topics covered are: Laws of Arrest and High Risk Car Stops, Controlled Substances and Gangs, Safe Operations of Police Vehicles, Firearms Training Simulator, Crime Scene Investigation, Urban Disorder Management, The Training and Uses of Police K-9 Teams, Terrorism, Arrest and Search Warrants, History and Principles of Law Enforcement, Crime Prevention and Fear Reduction and The Active Bystandership in Law Enforcement "ABLE" program. There is a graduation ceremony held at the Police Academy at the end of the program (week 9). Classes are normally held on Wednesday nights from 6:30pm to 9:30pm.

The **CPA** is open to all citizens of Philadelphia **18 or older**, without regard to race, sex or religious beliefs. The classes are designed to represent the diverse population and neighborhoods of Philadelphia.

The next class begins April 12th and the application must be in by March 30th, 2023.

Slots go very quickly. Please let me know if anyone might be interested in attending and I can make sure you get an application and waiver form.

Best,  
Taleah Grimmage
