

May 20<sup>th</sup>, 2020

Dear Parents,

We are glad to share some information about our summer program that will start June 8<sup>th</sup> to July 31<sup>st</sup>. This year some of our summer camp activities will only be offered to our children 3 years old and up. It will last 8 weeks and will have different enjoyable activities, that way our older children will have the opportunity to experience the difference between our regular schedules to the upcoming summer adventure.

WEEKS 1-4    Treasure Island

WEEKS 5-8    Let's Be Superheroes

Every Monday we will start the week by doing a special project for all the classes called ALL ABOUT ME in which each child will have the opportunity to tell their friends all about themselves in words and pictures. Each child will be the Star of the class for that entire week. Children will surely love it!

On Wednesdays we will have either a TV Show with Popcorn or a Special Activity related to the theme of the month. Our schedule for these special activities is being planned to be as follow: June 17<sup>th</sup> Puppet Show, July 1<sup>st</sup> Scavenger Hunt, July 15<sup>th</sup> Firefighter Surprise and July 29<sup>th</sup> Soccer Super Class. The children will not be gathered together, each activity will be individually per class.

Every Friday, one class will enjoy the outdoor water fun activities and will cool off getting special snacks for the hot summer. We anticipate that each class will have this opportunity at least 2 times during the summer program. Children whose class will have their turn will be notified in advance and will need to bring a towel, water shoes or old tennis shoes and a change of clothes. (Children are not allow to wear flip flops to prevent accidents). Please make sure everything is labeled.

This year due to the COVID-19 many things will need to be different. The good thing is that we won't be requesting any additional fee, but we still need to plan in advance

and be aware of children participation. Also, it is now the appropriate time to let us know if your child will continue in our program during the summer (many flexible options) and the upcoming school year (2020 - 2021). You will find attached to this letter our tentative rates for 2020-2021 School Year and a form to be filled out and returned by May 29<sup>th</sup>. If your child is not attending school during the summer, but you would like to hold the spot for the upcoming school year, you will need to pay the annually supply and curriculum fee no later than May 29<sup>th</sup>. We will begin registration process for new students on June 1<sup>st</sup>.

Thank you for your support and understanding!

LAP Management
