## When I Grow Up – We need you!

This year, children will be learning about occupations linked to 'The Arts' which can be anything from dancers, actors, artists, fashion designers, photographers, model makers, singers and musicians to name a few. We are keen to involve lots of people from the local community and establish links with local arts organisations. It is really important that children learn everyone has a role to play in the world around them and know that there are such wide ranging career paths and opportunities in the world.

If you have a skill, a hobby or a career linked to the arts could you please complete the form below and return to the office by **Monday 16<sup>th</sup> March 2020**.

Thanking you in anticipation.
