Catholic Charities CARES for Community

Last year, Catholic Charities provided services to 53,493 individuals. Though we do not know what the coming days, weeks and months may hold, we do know that our supportive community powers what we do and has kept us going during these challenging times.

Today as we navigate the current pandemic, your support of Catholic Charities is needed more than ever. Programs like Catholic Charities Emergency Services Food Shelf and Senior Health and Dining Services will continue to see an increase in demand in the months ahead.

We give thanks to our generous donors who have contributed to the Catholic Charities CARES for Community Campaign and to the Find a Way Initiative, and ask that you prayerfully consider a donation to Catholic Charities today.

With you at our side, we are able to feed more, empower more and do more for our community, and together, we can make a different tomorrow. Support Catholic Charities today and donate online at ccstcloud.org/donate
