She would like to get a committee going called Lowell Energy Committee. For more information about energy committees, you can check out VECAN.org. The Board granted Kitty permission to do so.
- Christy shared an email from Pope Memorial Frontier Animal Society . They had originally sent us a letter asking for \$7000.00 dollars in ARPA money, the board had turned down that request. This request was for a significant lower amount. The request was for \$1000 this time, after a small

discussion between the Board members, they decided that \$1000 was a reasonable request and granted it as they did not put their annual request in the town meeting article.

- Jenn asked Becky about the electronic signs email. Becky shared what information she had. Jenn would like Becky to do a little more research and will discuss it further in a future meeting.
