Brought to you by:	RIDER'S MEETING	Presented by:
		

This **IS** the rider's meeting for RMX Series events. We feel we are all responsible riders and a verbal meeting is unnecessary. The time spent going over this information in a meeting can now be spent on the track with more ride time. Please read the information and become familiar with it. If you have any questions or need clarification please contact an RMX official. Again, there will be no additional rider's meeting before motos begin.
