MCGAUGHY'S HISTORY & AWARDS

We've been leading the lowering suspension market for over 32 years (since 1984)! Our engineering capabilities are endless and we continue to release high quality parts that the public demands. We are always challenging ourselves with producing suspension parts that haven't been done before in the world and doing it right the first time. We ride on our reputation for our parts being a bolt-on installation and making sure the entire lowering kit works hand-in-hand with the necessary factory components. Our kits are made so the average guy in his garage can do the installation without any major modifications. We manufacture our spindles and don't buy them like some of our competitors do. Our "Classic Drop" spindles are made in the USA with the highest quality components. Our machining is done in-house on one of our state-of-the-art CNC machines. All of our spindles spuds are made from 4140 chromoly and machined in our CNC turning centers. Since we do our own engineering, prototyping, and machining, we are able to have suspension kits for vehicles as soon as they hit the dealerships! We are actually a manufacturer and don't just claim to be one!

Before we released our spindles for the 1999-2006 GM Trucks, 2001-2006 SUV's, and the 2007+ spindle, we patented our design to ensure that our product would remain the best on the market. At the 2003 SEMA show, GM presented us with "The Most Innovative Product of the Year" Award for our drop spindle. We patented the upper bearing stud so that our spindle's upper ball joint height would keep the same dimensions as the stock GM spindle (This ensures the correct ball joint angles are maintained). In order for our competitors to avoid our patent, they had to raise the upper ball joint boss 1.5" which creates horrendous bump steer, severe ball joint angles, and premature ball joint wear. In some cases, our competitor's spindles require that the upper A-Frame be flipped upside down, which is the complete opposite of how GM intended the front suspension parts to be installed and function.

(SILVER POWDER COAT): 03-08 2500/3500
PART# 54300 (4WD, Gas Motor)
PART# 54350 (4WD, Diesel Motor)

8" PREMIUM LIFT KIT

(SILVER POWDER COAT): 09-13 2500 / 09-12 3500
PART# 54900 (4WD, Gas Motor)
PART# 54950 (4WD, Diesel Motor)

2.5" FRONT LEVELING LIFT KIT:
 - COIL SPACERS & SHOCK EXTENDERS (2WD/4WD, 8-LUG)
PART# 54310 (03-13 2500 / 03-12 3500)
PART# 54314 (14-15 2500 / 13-15 3500)

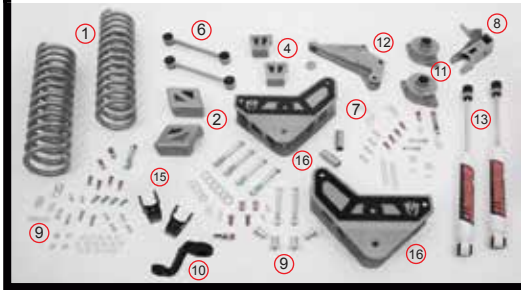

TRACTION BAR KIT
 W/ SHACKLES, UPPER FRAME BRACKETS, LOWER AXLE MOUNTS & HARDWARE
 [COMES IN RAW]
PART #54318 (4WD)

DUAL STEERING STABILIZER MOUNT:
 INNER SHOCK MOUNT W/ CLAMP OUTER SHOCK MOUNTS
 (SHOCKS NOT INCLUDED)
PART# 54328 (13-15 2500) (14-15 3500)

4" BASIC Lift Kit (PART# 54341 shown)

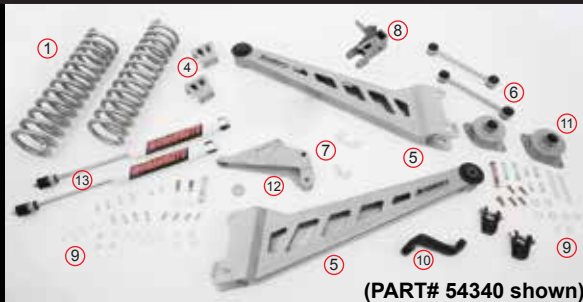

4" BASIC LIFT KIT W/ FRONT & REAR SHOCKS

PART#54341 (4WD, Coil Spring Rear)

- | | |
|---------------------------------|----------------------------------|
| 1. Coil Springs | 10. Pitman Arm |
| 4. Bump Stop Extension Brackets | 11. Coil Spring Spacers |
| 6. Track Bar Brackets | 12. Track Bar Relocation Bracket |
| 7. Brake Line Brackets | 13. Front Shocks |
| 8. Panhard Extension Bracket | 15. Rear Shock Extenders |
| 9. Hardware Pack | 16. Radius Arm Drop Downs |

4" PREMIUM LIFT KIT

(PART# 54340 shown)

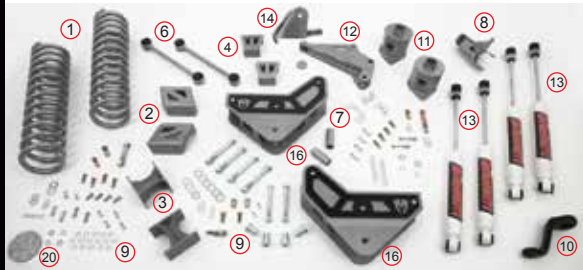

4" PREMIUM LIFT KIT W/ FRONT SHOCKS & REAR SHOCK EXTENDERS

- | | |
|---------------------------------|----------------------------------|
| 1. Coils Springs | 9. Hardware Pack |
| 3. Rear Bump Stop Extenders | 10. Pitman Arm |
| 4. Bump Stop Extension Brackets | 11. Coil Spring Spacers |
| 5. Radius Arms | 12. Track Bar Relocation Bracket |
| 6. Track Bar Brackets | 13. Front Shocks |
| 7. Brake Line Brackets | 15. Rear Shock Extenders |
| 8. Panhard Extension Bracket | |

**4" PREMIUM LIFT KIT (SILVER POWDER COAT):
PART# 54340** (4WD, Coil Spring Rear)

6" BASIC Lift Kit (PART# 54327 shown)

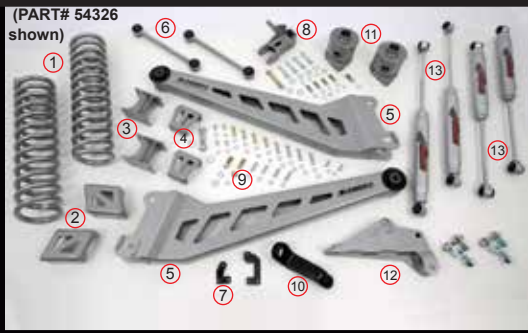

6" BASIC LIFT KIT W/ FRONT & REAR SHOCKS

PART#54327 (4WD, Coil Spring Rear)

- | | | |
|---------------------------------------|----------------------------------|-----------------------------------|
| 1. Coil Springs | 8. Panhard Extension Bracket | 14. Track Bar Reinforcement Brace |
| 2. Sway Bar End Links | 9. Hardware Pack | 16. Radius Arm Drop Downs |
| 3. Rear Bump Stop Extenders | 10. Pitman Arm | 20. Front Drive Line Spacer |
| 4. Front Bump Stop Extension Brackets | 11. Coil Spring Spacers | |
| 6. Track Bar Brackets | 12. Track Bar Relocation Bracket | |
| 7. Brake Line Brackets | 13. Front & Rear Shocks | |

6" PREMIUM LIFT KIT

(PART# 54326 shown)

6" & 8" PREMIUM LIFT KIT W/ ADJ. FRONT & REAR STRUTS

(Parts included in both 6" & 8" Kits)

- | | |
|---------------------------------|-----------------------------------|
| 1. Coil Springs | 12. Track Bar Relocation Bracket |
| 2. Sway Bar End Links | 13. Shocks |
| 3. Rear Bump Stop Extenders | 14. Track Bar Reinforcement Brace |
| 4. Bump Stop Extension Brackets | 20. Front Drive Line Spacer |
| 5. Radius Arms | |
| 6. Track Bar Brackets | 8" KIT ONLY |
| 7. Brake Line Brackets | Includes the following: |
| 8. Panhard Extension Bracket | 16. Radius Arm Drop Downs |
| 9. Hardware Pack | 17. Coil Springs |
| 10. Pitman Arm | 18. Panhard Extension Bracket |
| 11. Rear Coil Spring Spacers | 19. Sway Bar Endlinks |

6" PREMIUM LIFT KIT

(SILVER POWDER COAT):

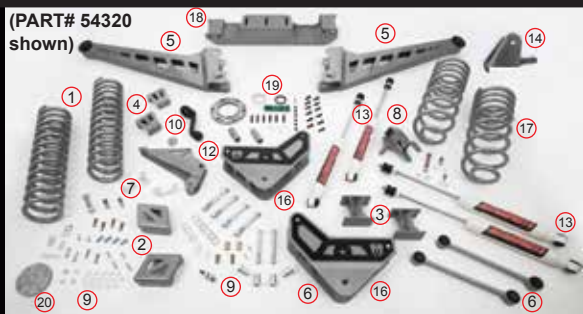

Kits come w/ Front Shocks & Rear Shock Extenders
PART# 54326 (4WD, Coil Spring Rear)

8" PREMIUM LIFT KIT

(SILVER POWDER COAT):

Kits come w/ Front & Rear Shocks
(Must specify which factory transmission will be used with the kit)
PART# 54320 (4WD, Coil Spring Rear)

8" PREMIUM LIFT KIT

(PART# 54320 shown)

4" BASIC Lift Kit (PART# 54346 shown)

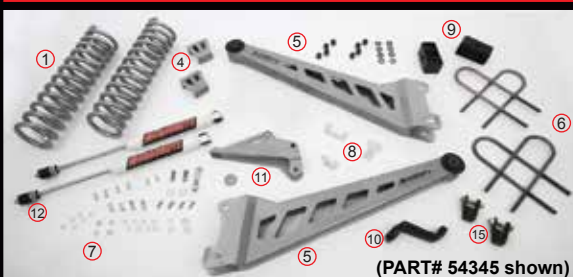

4" BASIC LIFT KIT

W/ FRONT & REAR SHOCK EXTENDERS
PART#54346 (4WD, Leaf Spring Rear)

- | | |
|---------------------------------------|----------------------------------|
| 1. Front Coil Springs | 9. Lift Blocks |
| 2. Sway Bar End Links | 10. Pitman Arm |
| 4. Front Bump Stop Extension Brackets | 11. Track Bar Relocation Bracket |
| 6. U-Bolts w/ Hardware | 12. Front Shocks |
| 7. Hardware Pack | 15. Rear Shock Extenders |
| 8. Brake Line Brackets | 16. Radius Arm Drop Downs |

4" PREMIUM LIFT KIT

4" PREMIUM LIFT KIT

W/ FRONT SHOCKS & REAR SHOCK EXTENDERS

- | | | |
|---------------------------------|------------------------|----------------------------------|
| 1. Front Coil Springs | 7. Hardware Pack | 11. Track Bar Relocation Bracket |
| 4. Bump Stop Extension Brackets | 8. Brake Line Brackets | 12. Shocks |
| 5. Radius Arms | 9. Lift Blocks | 15. Shock Extenders |
| 6. U-Bolts | 10. Pitman Arm | |

4" PREMIUM LIFT KIT (SILVER POWDER COAT):
PART# 54345 (4WD, Leaf Spring Rear)

6" BASIC Lift Kit (PART# 54330 shown)

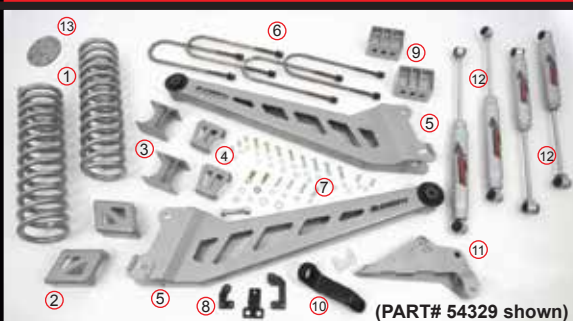

6" BASIC LIFT KIT

W/ FRONT & REAR SHOCKS
PART# 54330 (4WD, Leaf Spring Rear)

- | | |
|---------------------------------------|----------------------------------|
| 1. Front Coil Springs | 10. Pitman Arm |
| 2. Sway Bar End Links | 11. Track Bar Relocation Bracket |
| 4. Front Bump Stop Extension Brackets | 12. Front Shocks |
| 6. U-Bolts w/ Hardware | 13. Front Drive Line Spacer |
| 7. Hardware Pack | 16. Radius Arm Drop Downs |
| 8. Brake Line Brackets | 20. Rear Shock Extenders |
| 9. Lift Blocks | |

6" PREMIUM LIFT KIT

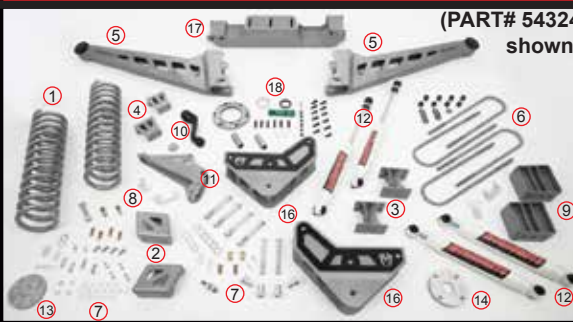

6" & 8" PREMIUM LIFT KIT

W/ ADJ. FRONT & REAR STRUTS

(Parts included in both 6" & 8" Kits)

- | | |
|---------------------------------|----------------------------------|
| 1. Front Coil Springs | 10. Pitman Arm |
| 2. Sway Bar End Links | 11. Track Bar Relocation Bracket |
| 3. Rear Bump Stop Extenders | 12. Shocks |
| 4. Bump Stop Extension Brackets | <u>8" KIT ONLY</u> |
| 5. Radius Arms | Includes the following: |
| 6. U-Bolts | 13. Front Drive Line Spacer |
| 7. Hardware Pack | 14. Rear Drive Line Spacer |
| 8. Brake Line Brackets | 16. Radius Arm Drop Downs |
| 9. Lift Blocks | 17. Crossmember |
| | 18. Re-Clocking Kit |

8" PREMIUM LIFT KIT

6" PREMIUM LIFT KIT

(SILVER POWDER COAT):

Kit comes w/ Front & Rear Shocks, & Fabricated Radius Arms
PART# 54329 (4WD, Leaf Spring Rear)

8" PREMIUM LIFT KIT

(SILVER POWDER COAT):

Kit comes w/ Front & Rear Shocks
PART# 54324 (4WD, Leaf Spring Rear)

LOWERING

GM TRUCK LOWERING KITS & PARTS

PART #	MODEL	YEAR	APPLICA-TION	FRONT DROP	REAR DROP	KIT	PAGE #
63120	GM 1/2TON	60-72				Trailing Arm Cross-Member (Built in Drive-Line Loop for Ground Clearance - Allows 3" Exhaust to go through center of Cross-Member)	33-34
63156	GM 1/2TON	60-72				5-Lug Disc Brake Kit w/ Rotors, Calipers, Bearings, Seals, Hoses, Dust Caps, Spindle Nuts, Spindles Washers, & Cotter Pins	33-34
63157	GM 1/2TON	60-72				6-Lug Disc Brake Kit w/ Rotors, Calipers, Bearings, Seals, Hoses, Dust Caps, Spindle Nuts, Spindles Washers, & Cotter Pins	33-34
63163	GM 1/2TON	60-72				Adj. Proportioning Valve w/ Lines & Bracket	33-34
63164	GM 1/2TON	60-62		2.5"		2.5" Drop Spindles - Converts to Disc Brakes	33-34
63165	GM 1/2TON	60-64				Adjustable Rear Track Bar	33-34
63167	GM 1/2TON	60-72				Rear C-Notch	33-34
63173	GM 1/2TON	63-70		2.5"		2.5" Drop Spindles - Converts to Disc Brakes	33-34
63174	GM 1/2TON	63-70		STOCK		Stock Height Spindles - Converts to Disc Brakes	33-34
63175	GM 1/2TON	65-72				Adjustable Rear Track Bar	33-34
63177	GM 1/2TON	60-66				7" Booster w/ Master Cyl. & Bracket for Front Disc Brakes	33-34
63178	GM 1/2TON	60-66				7" Booster w/ Master Cyl. & Bracket for Front Drum Brakes	33-34
63181	GM 1/2TON	60-66				9" Booster w/ Master Cyl. & Bracket for Front Disc Brakes	33-34
63182	GM 1/2TON	60-66				9" Booster w/ Master Cyl. & Bracket for Front Drum Brakes	33-34
63203	GM 1/2TON	60-66	2WD			Non-Power Master Cylinder (Dual Reservoir)	33-34
64090	GM 1/2TON	60-66	2WD			Non-Adj. Proportioning Valve w/ Lines & Bracket	33-34
63115	GM 1/2TON	63-72	2WD	2"		2" Drop Front Crossmember Kit	36
63117	GM 1/2TON	63-72	2WD			6" Over-Stock Rear C-Notch Kit	37
63122	GM 1/2TON	63-72	2WD		0	Adjustable Trailing Arm Crossmember w/ Integrated Drive-Line Loop, Transmission Crossmember & Center Supports	37
63123	GM 1/2TON	63-72		3.5"		3.5" Adjustable Trailing Arms w/ 1.25" Johnny Joints	37
63125	GM 1/2TON	63-72				Side Exit Exhaust Mounts	38
63126	GM 1/2TON	63-72				Rear Bolt-On Frame Support w/ Hardware	38
63127	GM 1/2TON	63-72				6" Overstock Rear C-Notch (Weld-In) Only	37
63129	GM 1/2TON	63-72	2WD			Battery Mount (Battery Not Included)	38
63130	GM 1/2TON	63-72				Power Rack & Pinion w/ Billet Adapters	38
63131	GM 1/2TON	63-72				CNC Laser Cut & Formed Boxed Upper Control Arms	36
63132	GM 1/2TON	63-72				L.S. Motor Mounts w/ Bushings & Spacers	38
63133	GM 1/2TON	63-72		0-3"		Front Coils Overs	38

Before we released our spindles for the 1999-2006 GM Trucks, 2001-2006 SUV's, and the 2007+ spindle, we **patented** our design to ensure that our product would remain the best on the market. At the 2003 SEMA show, **GM** presented us with "The Most Innovative Product of the Year" Award for our drop spindle. We patented the upper bearing stud so that **our spindle's upper ball joint height would keep the same dimensions as the stock GM spindle** (This ensures the correct ball joint angles are maintained). In order for our **competitors to avoid our patent**, they had to **raise the upper ball joint boss 1.5"** which creates horrendous bump steer, severe **ball joint angles**, and premature **ball joint wear**. In some cases, our competitor's spindles **require** that the upper **A-Frame** be **flipped** upside down, which is the complete opposite of how GM intended the front suspension parts to be installed and function.

1999-2006 CHEVY TRUCK 1500

2WD ONLY

99-06 2" Drop Spindles (#33002)

US Patent #6,860,498
Works w/ Factory 16" wheels or larger. You can only use these spindles on a coil spring front end, 2WD, 1/2 TON CHEVY or GMC Trucks

2WD OR 4WD

01-06 2" Spindles Must use 17" or Larger Rims (#33004)
US Patent #6,860,498

2WD

Front Coils (#33008)

2WD

Front Coils (#33010)

2WD

6" Rear Axle Flip Kit (#33034)

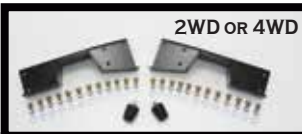

2WD OR 4WD

3" or 4" Hangers (#33035)
If your truck has a factory welded hanger, you must use a lowering rear lift hanger/flip kit combo

2WD OR 4WD

Rear Lift Hangers (#93049)

2WD OR 4WD

C-Notch w/ Bump Stops (#33003)

2WD OR 4WD

1" or 2" Shackles (Adjustable) (#33037)

99-15 Foam Bump Stops (#33039)

99-15 2" Rear Leaf (#33046)

2WD OR 4WD

Air Bag Helper Kit for 3" or 4" Rear Drop - No C-Notches (#33033)

2WD

Air Bag Helper Kit for 5", 6", or 7" Rear Drop (#33024)

Stock Rotor Kit (#63201)

Booster w/ Bracket & Master CYL. Shift (#63225)

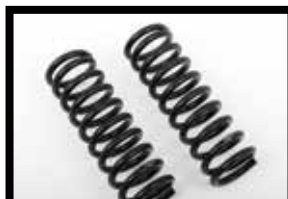

Floor Shift Cars Booster / Master (#63202)

Non-Power 1" Bore Master Cylinder (#63203)

2" Drop Spindles (#63162)

Front 1" Lowering Coils (#63226)

Non-Adjustable Proportioning Valve (#64090)

Drop Rotor Kit (#63205)

PART #	YEAR	FRONT DROP	REAR DROP	DESCRIPTION	FOOT NOTES (On Pg. 82)
63159				Power Steering Hose Kit for 605 Box (Flare Fittings, QTY 2)	
63160				P/S Pump Bracket for Side Motor Mounts (SMALL BLOCK)	
63161				P/S Pump Bracket for Side Motor Mounts (BIG BLOCK)	
63162		2"		Drop Spindles (Must use #63205 Disc Brake Kit)	
63163				Adjustable Proportioning Valve	
63200	55-58			Front Disc Brake Brackets (Converts Stock Chevy Car Spindles to Disc Brakes)	DB, SW
63201				Stock Rotor Kit w/ Rotors, Calipers, Bearings, Seals, Hoses, Banjo Bolts, Dust Caps, Spindle Nuts, Spindle Washers & Cotter Pins. - Works on Stock Front Disc Brake Brackets. Moves the wheels out 3/4" on each side. Will not work w/ Factory 14" wheels.	
63202				Booster / Master Cylinder (for Floor Shift)	
63203				Non-Power Master Cylinder (Dual Reservoir)	
63205				Rotor Kit for Drop Spindles (Rotors, Calipers, Bearings, Seals, Hoses, Dust Caps, Spindle Nuts & Washers, & Cotter Pins)	
63222	58-64			Upper A-Frames w/ Bushings	BJ, CS
63223	58-64			Lower A-Frames w/ Bushings	BJ, CS
63224	59-64			Front Disc Brake Brackets (Converts Stock Chevy Car Spindles to Disc Brakes)	SW
63225	58-64			Booster / Master Cylinder (for Column Shift)	
63226	58-64	1"		Front Lowering Coil Springs	
63227	58-64		2.5"	Rear Lowering Coil Springs	
64090				Non-Adj. Proportioning Valve w/ Lines & Bracket	

11" Stock Rear-End Rotor Kit (#63095)

13" (Stock Rear-End) Rear Disc Kit - Smooth (#64096)

13" (Stock Rear-End) Rear Disc Kit - Cross-Drilled (#64097)

1955-1964 CHEVY FULLSIZE CAR (BIG BRAKE KITS)

PART #	APPLICATION	FRONT DROP	DESCRIPTION	FOOT NOTES (On Pg. 82)
64095	2WD		11" Rotor Kit (5 on 4.75")	
64096	2WD		13" Rotor Kit (5 on 4.75") - SMOOTH	T
64097	2WD		13" Rotor Kit (5 on 4.75") - CROSS-DRILLED	T
63259	2WD	2"	13" Front Kit w/ 2" Drop Spindles - Smooth (5 x 4.75")	T
63258	2WD	2"	13" Front Kit w/ 2" Drop Spindles - Cross-Drilled (5 x 4.75")	T

13" Front Disc Kit w/ 2" Drop Spindles - Smooth (#63259)

13" Front Disc Kit w/ 2" Drop Spindles - Cross-Drilled (#63258)

2" Drop Spindles (#6570)

Drop Rotor Kit (#63205)

Front Disc Brake Brackets - Use Rotor Kit #63201. Moves wheels out 3/4" on each side. Will not work w/ Factory 14" wheels. (#63228)

1965-1970 CHEVY FULLSIZE CAR

PART #	YEAR	FRONT DROP	DESCRIPTION	FOOT NOTES (On Pg. 82)

TERMS AND CONDITIONS

ORDERS	TERMS	SHIPPING
<p>Orders can be placed Monday through Friday from 8am. to 4:30 pm. Pacific Standard Time. Please call (559) 226.8196 to ask installation questions and/or fax in your order to (559) 277-0457. If you are a dealer, we require that you fax in all orders, but we will gladly answer any phone questions.</p>	<p>All orders must be prepaid and we do not do COD deliveries. We unfortunately no longer ship third party shipping under any circumstances. We accept VISA, Master card, & Discover, or any debit card/check card that displays a credit card logo mentioned above. If you do not wish to use a credit card you may send a personal check, cashiers check, or money order, however, we do have to wait until the payment clears before we will ship out the order.</p>	<p>We ship UPS ground in most cases unless a faster service option is selected. If it is more economical to ship freight via a trucking company we can do that if you prefer (please request). If for some reason you were shipped a part in error or received something that seems wrong, please call us as soon as you receive your order so we can correct the problem. ALL calls must be made within 10 days of the original order. Please be sure when you receive your parts that you open and inspect all boxes and packing to be sure they are the correct parts and complete (nothing is missing).</p>

WARRANTY

McGaughy's warrants all products manufactured by them against manufacturer's defects in materials or workmanship for a period of one year from the date of original purchase. All McGaughy's spindles carry a lifetime warranty against manufacturer's defects. The warranty will not extend to any piece of merchandise or part there in, that has been improperly installed, abused, or neglected. Warranty is limited to the repair or replacement, at McGaughy's discretion, after their inspection of the defective part, once returned to McGaughy's with proof of purchase, date of purchase, and all shipping costs prepaid. Any cost of labor, freight, incidental or consequential damages are expressly excluded from this warranty. Check fit all products prior to custom painting or any form of fabrication (sanding, drilling, painting, chroming, etc.) McGaughy's will not warranty any products that were modified prior to check fitting those parts on the intended vehicle. Call for technical assistance at (559) 226-8196 prior to modification if you are having any problems with your installation.

NOTE: WE ARE NOT RESPONSIBLE FOR TYPOGRAPHICAL ERRORS.

FOOT NOTES

B	Can't use Bilstein factory shocks - the shocks are too long and the coils will fall out. Our shocks part #2050 must be used with a light duty coil (without the shock extenders) or a heavy duty factory shock must be used with our shock extenders part #33070
BJ	Our part uses your original style ball joints
BL	S10 kit works on the S-10 blazer too
BS	Kit includes new bump stops for the rear.
C	Kit includes ball joint spacers without any flipping so that 16" or larger rims can be used. You can only use these spindles on coil spring front end, 2Wd, 1/2 ton Chevy or GMC Trucks.
C2	If your Ford has a two piece drive-line, you may need a carrier bearing relocater.
CB	If your truck has a two piece drive-line, you may need a carrier bearing relocater
CS	Our A-Frames use your original cross shafts
DB	Must convert from original drum brakes to disc brakes
E	May need to re-route exhaust for more clearance
EX	Must use shock extenders with this kit.
FL	Our lowering kits will not work with factory lowered Colorado or Canyon Trucks
HD	Must use heavy duty disc brakes (1.25" Thick Rotors)
HS	Our coils are meant to be used with the factory heavy duty (3" Diameter) or auto leveling air shocks.
LD	Must use light duty disc brakes (1" Thick Rotors)

FOOT NOTES

LS	Our coils are meant to be used with the factory light duty (2" Diameter) shock or our #2050
OL	You must remove the factory over-load leaf to do this drop.
S	Must use shorter rear shocks.
SE	Our PART #33036 is recommended. They aren't required but they do make a difference in the ride quality. The shock extenders relocate the shock angle to put it back to its original angle.
SR	Deluxe kit will not work on the DODGE SRT models. The ECONOMY kit is recommended for the SRT
SW	Disc Brakes will not work with original 1957-64 14" wheels
T	Must use 17" or larger wheels in order to use the spindles. Factory 17" wheels will work with a slight modification, aftermarket cast 17" wheels likely won't work.
TR	Our part uses the original style tie-rods
WH	The kit / hanger will not work on trucks with a 5' bed (which has a welded front leaf spring hanger) or the 8' bed (long bed). Must use a kit with a leaf spring instead of a hanger.
WT	2009 Ram 1/2 ton Spindles (Part# 44001) increases front wheel track by 3/8" per side
V8	The coil springs were engineered for a truck with a V-8 Engine. If coils are installed on a 6-cyl. truck then the full drop will not be achieved and the rear will sit lower than the front.
XL	Our kit will not work on the "XL" version
