Experience...

...sensational fiddle tunes and harmonies,
flying finger guitar solos, fast and furious footwork,
remarkable yodeling, family humour, and so much more!

Fiddlin' Around is a spectacular two hour foot-stomping, hand-clapping Branson/Vegas style show which features a multi-talented group of performers. Award winning Canadian Fiddle Champion Scott Woods demonstrates his fiddle finesse, delivers family-friendly humour, and performs his admired trick fiddling which earned him his nickname 'The Flippin' Fiddler'. Recording artist Naomi Bristow, also known as 'Canada's Yodeling Cowgirl', has collaborated with Country Music greats such as Vince Gill and Jim Ed Brown, and has appeared on American RFD TV. Also sharing the stage is world-renowned Steve Piticco, 'The Telecaster Master' who impresses audiences with his extraordinary guitar prowess, and 'The Harmony Ace' Kendra Woods Norris, a multi-instrumentalist and singer who also adds levity to every show. And lastly, good ol' 'Spaghetti Legs', stepdancing sensation Leo Stock, who not only dances, fiddles, drums, and sings.
