Guests and Waiting List Visitors

Please be aware of and observe all of the rules of our club posted outside the lifeguard office and **listed on the back of this newsletter.** Please help us to maintain the safety of our swim club by encouraging your children to remember and observe all rules. If there is a question about a rule or its enforcement, please approach one of the managers.

Especially important is the rule concerning eating and drinking in the pool areas. **All food and beverages must be consumed in the picnic area or the snack bar area located downstairs.** If you need to drink water, as is common in today's health conscious society, **please, use a clear plastic water bottle.**

No cups of any kind are allowed in the pool areas.

No flotation devices are allowed in the pools unless certified by the U.S. Coast Guard. Swimmies are never permitted.

Baby Pool

Parents must watch their children and keep them within arm's reach when using the baby pool. Although the lifeguards are on the boardwalk to keep a careful eye on all the children in the baby pool, it is the responsibility of the parents to closely watch their children in and around the pool area. Additionally, **children who are not potty trained must wear a diaper and rubber pants under their swimsuits.**

Rest Rooms

We ask all members and August guests **to accompany their small children to the bathrooms.** The lifeguards have been doing checks of the bathrooms, decks, and fields on their down time, but it is not the responsibility of a lifeguard to chaperone children in bathrooms. We would like to thank the membership for making sure that your children are under your watchful eyes.

Swim Team

The ASC *Green Wave* competed hard throughout the 2017 season. Special thanks to **Stephanie Viola, Alison McDonough, Owen Liberatore, Meggie Leitz, Madison Weir, and Chiara Mancuso** for their dedication and work to help the swimmers improve this year.

NO MORE TENNIS KEYS BEING SOLD FOR OFF SEASON!

Gratitude

Please thank the **Board of Directors** for their year-long commitment to Aronimink Swim Club; the **Board of Directors** and **Amy Winnemore** for organizing and running the **Family Day** event; and the pool management team (**Jay Rogai, Amy Winnemore, Kim McCormick, and Jaime Cessna**), front office managers (**Amanda Koch, Charlene Boberick, Jim Ascareggi, Sam Jamgochian**), and front office staff (**Joe, Ben, Nick, Grace, Mya, and Jess**) for their dedication to overseeing the operation of the swim club this season.

Also, please thank **Bernadette Ascareggi** for her dedication to lifeguard instruction and to the **Water Aerobics** program, and **Mary Susco** for her wonderful work with the **Arts and Crafts** program for the kids.

Most importantly, please thank **the Lifeguards** for keeping the pools safe for all of our swimmers this season.

ASC would like to thank **Jay Rogai** for his many years working at ASC. Be sure to thank **Jay** and we will miss him. Our new general manager of the swim club for the 2018 season has been accepted by **Matt Stewart**. We welcome **Matt!**
