

East Valley Baseball Tournament Team Rules

(Revised Fall 2023)

Mission Statement

To provide East Valley players with the opportunity to play baseball at a higher level of competition in pay-for-play & invitational tournaments as well as in leagues sponsored by such governing bodies as AAU, AABC, CABA, USSSA, Babe Ruth & PONY. The goal is to help build up the quality of EVB play by exposing the more skilled players to a higher brand of baseball that they can then bring to the masses of the League.

1. East Valley Baseball will consist of the following Programs:

- a. East Valley Baseball (EVB) - incorporates the Spirit, Shetland, Pinto, Mustang, Bronco, Pony, Colt & Girls Softball Divisions.
- b. East Valley Eagles Program (EVEP) - designed for the skilled athlete who, together with their parents, desires a more competitive environment. A Tournament Commissioner (TC), accountable to the League, will oversee the EVEP. As such, all EVB rules & regulations governing managers, coaches, players, and parents, including, but not limited to the League's Code of Conduct, are applicable & will be enforced.

2. Eagles Teams

- a. The goal is to create single age teams from players league age 4 to league age 16. The number of players carried will be set at a minimum of 12 & a maximum at the manager's discretion. However, the League encourages managers to carry more players to create a greater learning environment for as many players as possible. This can only strengthen both EVEP & EVB as a whole.
- b. If a single age team cannot be formed, the Eagles Manager, along with the (TC) and (BOD) Board of Directors will explore the possibility of forming an "and under" or "hybrid" team within a single division of the League. "And under/Hybrid" teams are teams that have players with different league ages, within the same division. Players on "and under/hybrid" teams may only play within their division from year to year. "And under/hybrid" are formed when a single age team cannot fill a roster with same age players. When the "and under/hybrid" team moves up to the next division, it can only retain the players that move up to that division.
- c. All EVEP teams MUST stand down during ALL Stars unless they are the current 12U team committed to CDP or have earned the right thru a National Affiliation (USSA, CABA, AABC etc.) & represent EVB in All Stars. If the team fails to comply, they will be disbanded for a minimum

(Revised Fall 2023)

of one (1) season following All Stars and lose all EVB privileges.

- d. An Eagles team that has completed in their 10U-12U age group a minimum of a Fall & Spring (Must have played 2 seasons) and committed to CDP and paid their CDP fee may stand down in their 12U year to focus on tournaments. The team must play a minimum of 2 (two) tournaments in a month.

3. Make Up of Team

- a. All players on any Eagles team must be a registered EVB player & MAY NOT play on other “non-league sanctioned “travel teams or other youth league’s that may cause conflict to their commitment to the EVEC & EVB. This will hold true for Spring and Fall.
- b. All players MUST pay their EVB League fees prior to participating with an Eagles team. In the event meeting this goal presents a hardship, the manager must present their situation to the TC who along with the BOD will rule whether to grant the exception.

4. Age Cut Off

- a. EVB & EVEC team age groups will be determined using the players age as of April 30th of the current Fall/Spring Season.

5. Newly Formed Teams

- a. A new Eagles Team must abide by the age cut-off date for all players. Anyone interested in forming a new Eagles team, in any division, must contact the TC. The TC will meet with the BOD to obtain approval of the creation of the team and the proposed manager. The BOD must approve the manager before steps regarding that team can be taken. Once a manager is given approval to form a team, they will meet with the TC to schedule mandatory try outs.

6. Eagles Players

- a. A player in the EVEC is a player within the EVB league & has all the same rights and privileges as any other dues paying EVB player. Please note being on an Eagles team is a PRIVILEGE NOT A RIGHT.
- b. EVEC managers shall not solicit players from the roster of any other EVEC team/s. The TC & BOD will approve all player movement between EVEC teams as well as all player assignments when more than one team in a particular age group exists.
- c. Charges of tampering will be resolved by the TC in conjunction with the BOD.
- d. In regards, to manager discipline, a warning(s) may be issued with potential expulsion for repeated offenses.

(Revised Fall 2023)

- e. Current EVEP players (or their parents) may request that the TC place them on a different EVEP team. The TC will work with the managers & the BOD to determine if such a move should be made and at what point in the season such a move should take place. Player/s movement must remain consistent with the current Division structure as created in the sections above.
- f. EVEP managers are encouraged to solicit players from EVB. Player assignment to an EVEP team will be done with the involvement of the TC, BOD & managers(s) with player movement remaining consistent as described in the paragraph above.
- g. A player from an EVB team that joins an EVEP team during an EVB season must also complete the season in progress with the EVB team. Should an EVEP player be interested in PONY All- star participation, he/she will be required to play in EVB.
- h. All EVEP players MUST make themselves available for EVB all-star play, should they be selected, & pay the All- Star fee on top of their EVEP & EVB fees prior to the start of All Stars. Failure to do so will result in immediate removal from the team.

7. Manager Selection

- a. Candidates will make their intentions known in writing to the TC. The BOD, along with the TC, will judge the candidates on a number of qualities, which will include, but not limited to tenure, integrity, patience reliability, enthusiasm, loyalty, deportment, perspective & knowledge of the game & then make a decision. It is possible that no candidate will be acceptable to the TC & BOD & all candidates will be declined.
- b. In the event a hybrid team is formed, the TC & BOD will give preference when selecting a manager to one of the managers already in place on the respective age group teams to be combined.

8. Coach Selection

- a. Managers nominate their coaches for approval by the TC. The TC will review the nominations utilizing the same qualities specified above in the Manager selection. Managers are encouraged to nominate as coaches, other manager candidates that the TC & BOD felt were strong candidates but were not awarded a team due to lack of players.
- b. It is also required that each team must have a business manager (liaison to the TC & EVB). They must not be a manager or a coach.

9. Scheduling Conflicts with EVB Play

- a. EVB schedules take priority over EVEP schedules. This includes practice and games. Example – any team playing in a weekend tournament, or a Sunday league must make sure the EVB teams will not be affected. We don't want EVEP teams causing forfeits for EVB play.

13. Registration and Fees

- c. All travel players must register in EVB's online system (a special code will be provided to the Manager and Business Manager of the team to be distributed to the families) by the deadline determined by the TC each season. All fees must be paid at the time of registration in order to be considered an EVEP player.
