The Merak Executive chair utilizes a two paddle mechanism which designates one paddle for lift and one paddle to release spring tilt or lock; it is very heavy duty. The chair is made with a material called Care Soft Plus which is a trademarked vinyl that is an ultra-soft, breathable upholstery that looks and feels like leather, but is more durable and easy to clean. The chair also offers tilt tension, a pneumatic gas lift and an upright locking mechanism. It has been designed with a sturdy 27 inch chrome base with 2 inch nylon dual caster wheels and has a weight capacity of 275 lbs.
