Preamble

This Memorandum of Understanding (MOU) is made and entered into between the City of Tempe, Arizona, hereinafter referred to as "City," and the Tempe Supervisors' Association, hereinafter referred to as "Association," under the authority of Tempe City Code 2-400 et seq.

WHEREAS the Parties, through their designated representatives, met and conferred in good faith pursuant to Tempe City Code 2-400 et seq. in order to reach agreement concerning wages, hours, and working conditions of employees in the Association.

NOW THEREFORE, it is agreed that this MOU shall be submitted to the City Council of the City of Tempe for its consideration.

Article 1 – Definitions

For the purposes of this MOU, the following definitions shall apply:

- | | |
|----------------------|--|
| "Unit Member" | A City employee identified in Section 2-401(a)(5) of the Tempe City Code. |
| "Work Unit" | A reference to the entire group of City employees represented by the Association. |
| "Breach" | An alleged violation of the provisions outlined in this MOU. "Grievance"
A specific alleged violation of City Personnel Rules initiated by or on behalf of an individual. The process for initiating a grievance is outlined in City Personnel Rules; Rule 4, Section 407. G.3. |
| "Continuous Service" | Where the phrase "continuous service" is used to define employee benefits in this document, employees reinstated within one year of their resignation date are considered to have continuous service for purposes of determining those benefits. |

Article 2 - Proviso for Existing Benefits

1. Purpose

For the purpose of expediting the Meet and Confer process leading to agreement on an MOU, the Parties agree to the following Proviso which shall expire on June 30, 2026, unless renewed in writing by subsequent action of the Parties:

- a. The parties agree and Tempe City Code 2-400 et. seq. confirms that in the event of a conflict between the City of Tempe Personnel Rules, Department General and Operations Orders, attachments thereto, other Council approved programs, and this MOU, the MOU shall apply to the conflicting issue. If there is no conflict between the above referenced documents, the parties are governed by the Personnel Rules, Department General and Operations Orders, attachments thereto and other Council approved programs. In the event all such formerly referenced documents are silent on a particular issue, the City Manager and/or designee shall retain the right to exercise judgment on all such matters.
- b. If, during the term of this Agreement, the City anticipates a substantive change in the benefits not included in this MOU, but provided to Unit Members through the City of Tempe Personnel Rules and attachments thereto, Administrative Memorandum and other Council approved programs, the City shall meet with the Association, explain the reasons for the change, discuss the potential impact of such changes prior to making such changes, and allow the Association to propose alternatives to the changes.
- c. If the City intends to provide additional benefits to Unit Members, any such additional benefits will be discussed with the Association President prior to implementation.
- d. The referencing of the Personnel Rules and other such policies and procedures herein does not make them an extension of this MOU. Therefore, the process for an alleged breach of this MOU as contained in Tempe City Code 2-400 et. seq. or any procedure agreed to by the parties for resolving allegations of an alleged breach of this MOU, shall not be applicable under the proviso for existing benefits.
- e. Any benefit provided by outside vendors (such as health insurance), and subject to cost increases outside the City's control, may cause a re-opening of this contract for purposes of the affected benefit only. This negotiation process will exclude fact-finding.

2. Fiscal Crisis

If, during the term of this MOU, the City of Tempe experiences loss of revenues or legal requirements, that if not resolved during the budget year would result in the layoff of employees or the serious curtailment of City services provided to the residents of Tempe, this MOU may be reopened. This provision shall only apply if the general population of employees is subject to the same or greater reduction of pay or benefits negotiated as a result of this re-opener provision. The following provisions shall apply to this circumstance:

- a. The City shall notify the Association President in writing of the need to reopen this MOU. Such notice shall include the reasons for the reopening and the anticipated amount of citywide budget shortfall that needs to be resolved in order to alleviate the need to lay off employees or severely curtail City services provided to the residents of Tempe.
- b. The City shall supply the President with all available current budget information including, but not limited to, projected revenue shortfalls.
- c. The parties shall meet and confer/negotiate in a good faith effort to reach agreement on what, if any reduction in pay and/or benefits shall occur for Unit Members in order to address the City's budget shortfall.
- d. The meet and confer/negotiation process will be for a period of no more than thirty (30) calendar days. During this thirty (30) day period, the parties shall meet at least weekly unless mutually agreed otherwise.
- e. If the parties are unable to reach an agreement on the issues identified for this process, the issues will be submitted directly to the City Council which shall make a final determination. The determination of the City Council shall be final and binding on the parties.

Article 3 - Rights of the City

1. The Association recognizes that the City has statutory and Charter rights and obligations in contracting for matters relating to municipal operations. This MOU shall not limit that authority in any manner unless such limitation is expressly provided for by the specific terms of this MOU. There shall be no implied limitations on the rights of the City. In the event this MOU, the City Personnel Rules, other City Council approved programs, and/or the Department's General and Operations Orders are silent regarding a particular issue, the City Manager, or designees shall retain the right to exercise judgment on such matter.
2. The Parties, in partnership, pledge cooperation in increasing inter/departamental efficiency and effectiveness. The Association agrees to cooperate with the efforts of the City to increase the diversity of the work force.

3. The City and the department directors/office administrators have the responsibility and authority to schedule work and/or overtime in the manner most advantageous to the City; to discipline or discharge employees pursuant to the City Personnel Rules (all disciplinary appeals are outside the procedure for an alleged breach contained in this MOU and Tempe City Code 2-400 et. seq.); to hire, promote, reclassify, layoff and recall employees; to determine assignments and establish methods and processes by which assignments are performed; to transfer employees within the Department in a manner most advantageous to the City, determine the methods or means by which operations and services are delivered; maintain the efficiency of City government in emergencies; and manage all matters not specifically prohibited by this MOU.

4. The inherent and express rights of the City, including those herein specifically referred to, which are not expressly modified or restricted by a specific provision of this MOU, are not in any way, directly or indirectly, subject to the alleged breach procedure contained herein and in the City Ordinance.

5. The enumeration of the above rights and those in the Tempe City Code 2-400 et. seq., are illustrative only and is not to be construed as being all-inclusive.

Article 4 - Rights of the Association

1. The Association, as the authorized representative of its Members, has the exclusive right to serve as the meet and confer representative of all employees in the Work Unit as described in this MOU.

2. The Association may designate Association Representatives and shall notify the City and department directors/office administrators of such designations. Following an election or appointment of new officers of the Association, the new officers will consult with their department directors/office administrators and the parties will mutually arrange any necessary scheduling or workload adjustments to allow such officers to conduct Association-related business as provided by this section.

3. During the term of this Memorandum of Understanding, Association Representatives shall be released from duty with full pay when participating in a meeting with the City and/or City representatives, including any grievance hearing or disciplinary meeting with an employee. Association Representatives will also be released from duty with full pay to participate in any committee or task force established by this MOU. Executive Board Members of the Association will be released from duty to conduct/attend up to twelve (12) Executive Board meetings and up to twelve (12) Association meetings, with a maximum duration of four (4) hours each, during each year of the MOU.

Association Representatives will also be released from duty to attend up to twelve (12) Association meetings, with a maximum duration of four (4) hours each, during each year of the MOU.

The City will provide an additional 300 hours per year to be utilized by Association Board Members and/or Representatives, as authorized by the Association, for the purpose of conducting Association-related business. All time utilized must be authorized in advance by the appropriate department director/office administrator.

The policies governing the use and administration of these hours will be outlined in a separate document which shall be adopted upon the mutual consent of both Association and the City, and shall be in compliance with all federal, state, and local laws. It will further require adherence to the following guidelines:

Time will not be authorized if it results in overtime for the employee utilizing the time or if it creates any operational problem for the Department.

The activity to be engaged in cannot create a conflict of interest between the Association and the City of Tempe.

The time used must be in furtherance of the overall mission and values of the City and must not negatively impact upon the relationship between the City and the Association.

4. Unit Members and/or Association Representatives who conduct Association business or participate in meetings covered by this Article at times other than their normal work shift shall not receive compensation and said hours are not considered time worked for the purpose of computing overtime.

5. When requested, the City shall furnish to the Association a listing of Unit Members on City payroll deduction for Association dues. The Association agrees to use this list solely for purposes of communicating with Unit Members and will not share this information with other individuals or organizations. The City will also provide names of Unit members who have terminated employment or transferred into positions that are not part of the work unit.

6. The City agrees, in conformity with Tempe City Code 2-400 et. seq., to deduct an amount specified in writing by the Unit Member and transmit such amount to the Association each pay period. Such deductions shall be made only when the Unit Member's earnings for such pay period are sufficient after other legally required deductions are made. The Association reserves the right to increase the amount withheld for all unit members pursuant to a generalized dues increase. Unit Members may initiate, discontinue, or amend payroll deductions at any time.

7. The City e-mail system will not be used for Association business. However, The Association President or his/her designee may use City e-mail to distribute information to Unit Members, newsletters, elections, and other communications and notice of Association meetings and agendas may be posted in the "City Information" or similar employee information folder. Additional exceptions may be made on a case-by-case basis with prior approval of the City Manager.

8. The City shall provide bulletin boards in each work location for the exclusive use of the Association. The bulletin boards shall be readily available to Unit Members.

The Association agrees that material posted on the boards will not be derogatory toward any person or the Association, or critical of City leaders or City management and/or their policies/decisions.

9. The Association will be allowed to talk to all new supervisors solely to explain the rights and benefits of employment under the MOU. The association shall be allowed to provide new supervisory employees with information, such as an orientation packet, at the Tempe Essentials Orientation.

10. Upon request from the Association President, the City shall provide the Association with City e-mail distribution lists for all Unit Members and association members. The City will also provide a link to the Tempe Supervisors' Association web site from the City of Tempe Human Resources web page, upon request from the Association President.

11. The Association and the City agree to work together to develop and provide relevant training and education on labor-management issues in an effort to assist unit members to understand the resources and support available in fulfilling their roles as supervisors.

12. By mutual agreement it has been determined that employee parking qualifies as a benefit and/or working condition. The Association shall have the right to participate in meetings with management where changes to employee parking are being discussed. The City agrees to review and consider input from Association Representatives regarding changes to employee parking. The City shall notify the Association of any change regarding employee parking no less than 30 days prior to the effective date of the change.

- a. Unit Members have the right to be represented by the Association at any meeting which could or will result in disciplinary action being taken against that Unit Member or any meeting involving work-related counseling for that Unit Member.

The Unit Member will have a reasonable amount of time to obtain Association representation, no less than three (3) full weekday workdays from the time of notification by management of the intent to hold such a meeting.

- b. Any Unit Member under investigation for a matter that may lead to a suspension, disciplinary pay reduction, demotion, or termination, and who is interviewed, shall be given a written notice of the investigation no less than three (3) full weekday workdays prior to the interview. The unit member may mechanically record such interview.
- c. For any scheduled interview, the Unit Member has the right to bring an Association Representative. If the City intends to have legal counsel attend the interview, the City shall inform the employee at the time of the interview notice. TSA may request to provide legal counsel to the Unit member at that interview.
- d. The City reserves the right to interview a Unit Member without Association representation if the matter involves immediate serious safety concerns for the Unit Member, other employees or the public, and no Association Representative is readily available.
- e. The interview session shall be a reasonable period of time, taking into consideration the gravity and complexity of the misconduct being investigated.
- f. Departments must fully complete a Part I and provide it to the employee within 30 calendar days of the incident or within 30 calendar days from the time the department first became aware of the incident. Investigations must be completed within 120 days unless the delay is caused by the employee or TSA. An extension can be granted by the Human Resources Director due to extraneous circumstances, which may include complexity of the investigation, parallel criminal investigation, etc. TSA will be notified of such circumstances.
- g. At the time of the scheduled meeting for the part one the investigator or department supervisor or other City employee shall make available for review to the Unit Member and/or the representative any material that is being used as a basis for the allegation of misconduct. Material includes any video, audio, photographs, or documents written by a complainant, witness, or investigative lead that may be included in the investigation unless doing so would compromise a safe haven.
- h. During the course of the investigation the investigator shall not intentionally, carelessly or recklessly misrepresent any fact or material issue to the Unit Member. Nor will the Unit Member do so to the investigator.
- i. A Unit Member under investigation will be notified in writing every month as to the current status of the investigation.

This will include a brief description of the number of known witnesses still to be interviewed and other investigative processes remaining to be completed, as well as an estimated date of completion.

- j. Unit members will be provided a minimum of five (5) working days to submit a Part II response.
- k. The Part III must be completed and provided to the employee within 30 calendar days of the employee's receipt of the Part I. Exceptions shall be approved by the department director and Human Resources Director. Failure of the department to timely complete the disciplinary process shall not prejudice the propriety of the discipline.

3. Right to Peer Support

Unit Members have the right to have another Unit Member present during any meeting which could result in disciplinary action being taken by the supervisor.

4. Right to File a Grievance

Unit Members have the right to present their own grievance, in person or by an Association representative or other regular employee representative.

- a. The Association maintains the right to be present during any meeting regarding an alleged breach of the MOU. No person other than the Association President may reach a written agreement with the City that interprets or alters the rights or benefits covered under this MOU.

5. Right to Examine Personnel Files

Any Unit Member covered hereunder shall, on his/her request and by appointment, be permitted to examine his/her supervisor's working file, and Department and/or Human Resources' personnel file within three (3) business days from the request.

- b. With the written permission of the Unit Member, an Association Representative may review the Unit Member's personnel file(s) when in the presence of a Department representative and obtain copies of the contents upon request. Copying fees shall be consistent with the City's public records request fee schedule.

6. Labor Management Committees

- a. There shall be a citywide Labor-Management Committee consisting of all Union/Association representatives and representatives of the City. The purpose of the Committee is to facilitate positive labor-management relationships by providing a forum for the free discussion of mutual concerns and problems, which may include discussion of the implementation of major new City programs or substantial modifications of existing major City programs that will have a significant impact on service delivery, work schedules, or duties.
- b. In each Department of the City with Association membership, there shall be a Departmental Labor-Management Committee consisting of an equal number of representatives of the Association and representatives of the Department. The number of representatives and agenda of the meetings shall be mutually agreed by the Association and Department.
- c. The Committees shall meet monthly or bi-monthly at mutually scheduled times, and at any other mutually scheduled time.

7. Bidding on Vacancies

- a. When the City seeks to fill a regular permanent or a regular part-time vacancy, the City will make Unit Members aware of those vacancies through the posting of vacancies, including shift, hours, position, assignments, days off and work location, to be posted for at least two (2) weeks, unless mutually agreed otherwise, in the Department's office, on official bulletin boards, and at other mutually agreed upon locations.
- b. Bidding for shifts or work locations for all Unit Members shall be based on seniority, defined as the length of continuous regular benefitted service, including pro-rated part-time regular benefitted service, with the City of Tempe. Upon the written request of the Association, the City or any Department shall negotiate with the Association to establish or revise a bidding procedure. The determination of the bidding procedure shall be by mutual agreement between the Association and the impacted department. Such procedure shall be in compliance with all state and federal laws.
- c. The issues of requirements and processes for career advancement of Unit Members shall be considered by established Labor-Management Committees.

8. Layoff Rights

Section 305.D of the Personnel Rules outlines layoff procedures and bumping rights. However, seniority will remain a factor when making layoff decisions.

9. Job Descriptions

The City agrees to review, with Association Representatives, any substantial changes in job duties and/or any proposed changes to the “Examples of Duties” and/or the “Experience and Training Guidelines” for any job descriptions of Unit Members, at least 20 days prior to implementation. The City also agrees to provide a copy of substantial changes to all United Arizona Employees Association (UAEA) job descriptions to TSA Association Representatives at least 20 days prior to implementation.

10. Defending Employees

The City will continue its practice of defending TSA members (as it has all other employees) against third party claims for monetary damages in circumstances where the City is vicariously liable for the acts of TSA members committed within the scope of their employment.

Article 6 – Wages

1. Salary Step Increases

- a. The City shall provide step increases (percentage increases to base salary) for all Unit Employees who have not reached the maximum salary of their current salary range based on the schedule below. The City agrees to increase the bottom of each Unit positions’ salary range by 0.5% at the beginning of FY 21-22, FY22-23, FY23-24, and FY24-25. As a result of this adjustment, each Unit Employee will receive a 0.5% increase to their salary in the first pay period ending in July for those corresponding years.
 - July 2021 up to 3.5% effective the first pay period ending in July of 2021.
 - 3.0% step increase
 - 0.5% salary range adjustment increase
 - July 2022 up to 3.5% effective the first pay period ending in July of 2022.
 - 3.0% step increase
 - 0.5% salary range adjustment increase
 - July 2023 up to 3.5% effective the first pay period ending in July

of 2023.

- 3.0% step increase
 - 0.5% salary range adjustment increase
- July 2024 up to 3.5% effective the first pay period ending in July of 2024.
 - 3.0% step increase
 - 0.5% salary range adjustment increase
 - July 2025 up to 3.0% step increase effective the first pay period ending in July of 2025.

No step and salary range adjustment increase shall exceed the salary range maximum.

- b. All salary step increases will be effective the first pay period ending in July of each year.
- c. A Unit Member's base salary shall be at least 7.5% higher than the base salary of any employee that he/she directly supervises on a regular basis.
- d. Effective two pay periods following the salary step increases in July 2022, July 2023, and July 2024, an additional cost of living adjustment will be provided to Unit Members who were eligible to receive the salary step increase in that year.
 - 2022 – 3%
 - 2023 – 2%
 - 2024 – 1%

Unit Members will receive the designated percentage in a salary step increase. Unit Members who are at the salary range maximum will receive a one-time bonus equal to that percentage. Unit Members who receive a partial step increase will receive the remaining amount in a one-time bonus. For example, in 2022, if an employee is 1.3% from the top of their salary range maximum, they will receive a 1.3% salary step and a 1.7% one-time bonus.

2. One-Time Cost of Living Bonus Payments

- a. In July of each year of the MOU, the city shall provide a one-time cost of living bonus payment as detailed in the table in Section 3 of this Article to Unit Members who do not receive a step increase because their salary is at the salary range maximum.
- b. In July of each year of the MOU, Unit employees who reach their salary range maximum as a result of a partial salary step increase will receive a one-time cost of living bonus payment as detailed in the table in Section 3 of this Article reduced by the percentage increase received to reach their salary range maximum.

For example, for July 2021, an employee who received a .5% salary step to reach the top of their range would also receive a 2.0% one-time bonus; an employee who is 2.7% away from the salary range maximum will receive a 2.7% step increase and no (0%) one-time bonus.

3. Market Survey

Human Resources will review with TSA the design of a market study and will conduct a market survey of the salaries paid in established market cities for classifications comparable to those held by Unit Members. Human Resources will determine the 75th percentile which is the basis for the salary range maximums. The 75th percentile will be calculated as the average between the median maximum salary of the established market cities and the highest paid maximum salary of those same market cities. Human Resources will conduct a market study in years 1, 3 and 5 of the MOU.

Year 1 market study was conducted in November 2021 and will be implemented in the first pay period that ends in January 2022. If an employee falls below the new starting salary as a result of the market study, then he or she will be brought up to the minimum of the new range in the first pay period that ends in January 2022.

Year 3 market study will be conducted in November 2023 and will be implemented in the first pay period that ends in January 2024. If an employee falls below the new starting salary as a result of the market study, then he or she will be brought up to the minimum of the new range in the first pay period that ends in January 2024.

Year 5 market study will be conducted in November 2025 and will be implemented in the first pay period that ends in January 2026. If an employee falls below the new starting salary as a result of the market study, then he or she will be brought up to the minimum of the new range in the first pay period that ends in January 2026.

	Year 1	Year 2	Year 3	Year 4	Year 5
	21-22	22-23	23-24	24-25	25-26
Salary Step	3%	3%	3%	3%	3%
Bonus for topped-out (in-lieu of step)	2.5%	2.5%	2.5%	2.5%	2.5%
Market Study	Yes		Yes		Yes

4. Deferred Compensation

- a. Unit Members who contribute up to \$19 per pay period into the City's deferred compensation plan shall be eligible to receive matching deferred compensation contributions from the City.

Unit Members who contribute \$20 or more per pay period into the City's deferred compensation plan shall be eligible to receive deferred compensation contributions from the City according to the following table:

	Year 1	Year 2	Year 3	Year 4	Year 5
	21-22	22-23	23-24	24-25	25-26
Less than 7 years of service	\$22	\$25	\$28	\$28	\$28
After 7 years but less than 15 years	\$42	\$47	\$52	\$52	\$52
After 15 years of service	\$63	\$70	\$77	\$77	\$77

- b. Pursuant to the provisions of the City's 401k plan document, Unit Members who were hired no later than 12/31/2016 shall be eligible to receive an additional contribution of \$5.77 per pay period into their 401k account with no matching contribution required. Unit Members must establish an account in order to receive this benefit.

5. Bilingual Pay

- a. Unit Members shall be paid \$50 per month for occasional interaction and \$125 per month for significant interaction if they qualify under the City's Bilingual Pay guidelines.

Article 7 – Hours and Overtime

1. Shift Differential

- a. Unit Members who qualify for Shift Differential pay shall receive shift differential that is 7.5% higher rounded to the nearest cent than the amount provided by the UAEA MOU.
 - 1) Shift differential is not paid to Unit Members on paid leave.

2. Stand-by Pay

- a. The policy for stand-by pay in the City's Personnel Rules as of the effective date of this MOU shall remain in effect during the duration of this MOU.

3. Overtime

- a. Non-exempt Unit Members who work beyond their scheduled work shifts shall be compensated for such assigned work at one and one-half (1 ½) times their regular rate after the first eight (8) minutes of assigned and worked overtime calculated to the nearest quarter hour.

- b. An overtime-eligible Unit Member shall be compensated for overtime hours worked either with pay or with compensatory time. Employees may accrue a maximum of 240 hours of compensatory time.
- c. Exempt employees (employees exempt from provisions of the FLSA) may on occasion receive informal paid leave called exempt time for time worked in excess of their established work schedules. Exempt time will not be calculated hour-for-hour. Exempt time will be discussed in Labor- Management meetings.

4. Call-back Pay

- a. Non-exempt Unit Members called back to work after leaving City facilities upon completion of their regular shift shall be paid at one and one-half (1½) times their regular rate of pay and shall receive a minimum of three (3) hours' call-back pay. An employee may not be paid for more than one call-back at a time. When call-back hours overlap the employee's regular work schedule, call back pay ends when the regular scheduled begins or when the three-hour minimum for call-back pay is met. Call-back pay is included in the calculation to determine an employee's regular rate of pay for overtime purposes.
- b. Non-exempt Unit Members called to consult about work after completion of their regular shift will be paid at time and one-half (1 ½) the regular rate of pay for each quarter hour (over 7 minutes), with a minimum of one hour's pay. There will be no compensation for calls less than 7 minutes, cumulative daily. An employee cannot receive more than one hour of call-back pay when called to address a work issue that does not require him or her to come in to work unless the employee actually works more than 60 minutes.

5. Working Out of Classification

a. Temporary Detail Pay

With their agreement, employees may be assigned temporarily by their supervisor to a VACANT position in a classification with a higher salary range. The temporary detail classification may be vacant, or the incumbent employee may be temporarily not working. Employees assigned to temporary detail shall receive a minimum of 5% to a maximum of 10% above their salary range for the duration of the assignment, or the minimum of the salary range of the higher classification if that minimum is more than 10% higher than the employee's salary. The supervisor will determine when the temporary detail pay may be appropriate. The Unit Member is entitled to such temporary detail pay for working a minimum of 8 hours performing duties and responsibilities of a higher classification; employees providing emergency services shall be paid temporary detail pay if they work 4 hours or more in a higher-classified position.

b. Temporary Special Assignment Pay

Temporary Special Assignment occurs when an employee is required to work on a project or other assignment that is not within his or her normal scope of duties and is for a finite time period. It is not meant to fill a vacant position even when that vacancy is the result of a Temporary Special Assignment. Temporary Special Assignment will be paid as detailed in the City of Tempe Personnel Rules. Employees cannot receive both Temporary Detail and Temporary Special Assignment pay at the same time.
