

PUBLIC NOTICE

The Lake Virginia Management District proposes to chemically treat up to 12 acres of Lake Virginia, Reedsburg, Wisconsin for control of the invasive species curly-leaf pondweed and/or nuisance aquatic vegetation. Wisconsin Lake & Pond Resource, LLC will perform the treatment for curly-leaf pondweed in April/May and sporadically throughout the summer for general nuisance relief. Warning signs will be posted within 150' of the affected areas at the time of treatment which will include any restrictions relating to water use.

The District will hold a public informational meeting on the proposed treatments if five or more individuals, organizations, special units of government, or local units of government request one in writing. The person or entity requesting the meeting shall state a specific agenda of topics including problems and alternatives to be discussed. The request for the public informational meeting must be sent in writing to the Lake Virginia Management District, W3246 Lake Virginia Road, Reedsburg WI 53959 and to Wisconsin Department of Natural Resources, 3911 Fish Hatchery Road, Fitchburg, WI 53711 within five days after the public notice is published.
