## LOOSE THREADS

June 2018, Volume 83. Issue 6 [www.napavalleyquilters.org](http://www.napavalleyquilters.org)

Welcome to June my quilting friends. Summer is here and I'm looking forward to many adventures in the upcoming months. Some traveling, some gardening and hopefully a whole lot of sewing and quilting. I'm working on finishing up projects that I've neglected for far too long. I've got a head start on some Christmas presents (aka quilts) so I'm feeling good!!!

We have a new puppy in the house and I'd forgotten how much energy and curiosity they have. Little Charlie is a 4-month-old long haired daschund and joins his new brother Rooney our 8-year-old daschund. Their favorite place to play is under my sewing machine while I'm sewing. No kidding. Charlie has killed 2 of my shoes, not a pair, but 1 shoe from 2 pairs. I freaked out because my sewing machine stopped working. The foot pedal wasn't working. I thought, well it has a lot of miles on it probably need a new one. I ordered a new one from Amazon and it arrived in the advertised 2 days. I went to plug it in and discovered that Charlie, (the previously mentioned adorable puppy) had chewed on the cord. The old one is now repaired and I'm using it till he's through teething, then I'll get the new one down off the shelf.

Till we see each other in June, happy sewing.

Cyndy Clark, President
