TOTAL: \$ _____

Checks made payable to Uncle Sam Swim Team.

Sweatshirts are a 9 oz thickness.

All orders should be directly sent to **Glenda Salerno at gm1124@msn.com**

All checks should be made payable to **Uncle Sam Swim Team.**

Additional Order Forms will be kept at the pool and payments can be also put in Black Payment Box – please just note in memo of check or with payment that it is for apparel.

The expectation that each swimmer will own a Blue and Red – Dry T-Shirt, if you are new to the team this season that may mean you will be ordering 2. Returning swimmers may already have a blue shirt – as long as it fits you do not need to purchase an additional one.

Sweat Shirts are optional but a nice addition to have especially at meets in the winter when swimmers may be getting cold...we want to keep our body's warm on the pool deck.

Other options include:

Classic USAM – T-shirt – it has been requested for many years.

Shorts – good to have for dry-land (Blue/Regional)

Long Sleeve – T-shirts – again good for a cool pool deck to keep warm.

We would like to have our first official order in by October 27. We can talk about additional orders around the holiday's if we have interest in doing so.

We also typically will look to do a boathouse jacket order around the holiday season as well.
