PONDS

To obtain a building permit for a pond you will need:

- Application for building permit/pond**
- Soil Erosion Sedimentation Control Permit** from the Monroe County Drain Commission
- Site Plan** showing the size and location of all new construction; all existing structures; distances from adjoining lot lines; pond size and slopes
- Engineered Drawings** prepared by an engineer licensed in the State of Michigan
- Property ID Number**
- Survey Copy** (legal description of property)
- Copy of contractor's license** (if applicable)
- Posting of \$10,000 bond**

A \$100 non-refundable payment is required at the time of application.

After the Building Inspector has reviewed the application and has all necessary information, the Township Board will review the application. The Township Board will either approve or disapprove the application. If the application is approved, the applicant will be notified within five working days and must pay an additional \$300 fee before work may commence.

NO DIRT, FILL, ETC., MAY BE REMOVED FROM THE PREMISES.

Any work done without a permit or inspections may result in filling in the pond.

PLEASE CALL BUILDING INSPECTOR JACK LANGE AT 734-856-7128 WITH ANY QUESTIONS.
