

# TEMPLE MOUNT GATE TO PARADISE

The purpose of this illustration is to suggest that the Temple Mount is configured to the Orion-Taurus-Pleiades Star alignment and that not only of Egypt and Mexico but Persepolis. This particular depictions stresses the template that was used to construct the Royal Way that led to the Halls of Persepolis in Persia. The overtones of Biblical prophecy is striking. Cyrus the Great started the project and was considered a 'Messiah' figure. The Gate or door to the city platform or 'Temple Mount' had 2 columns as did the Temples in Jerusalem. This temple was called the *Hall of All Nations* as the Temples of YHVH were called the *House of Prayer for all Nations*. The processional way to Persepolis with its Halls and 'Paradise' was laid out in the outline of the constellation of Taurus. The alignment of the 3 Stars of Orion nearly match the 3 structures of the Temple Mount in Jerusalem. This Taurus outline can be configured also against the Temple Mount that would envelope the entire Kidron Valley in-between the Temple Mount and the Mount of Olives. The Temple Mount Orion-Taurus-Pleiades pattern is mirrored all over the world and specifically to temples of worship. Based on the Teotihuacan pattern, the Pyramid of the Moon corresponds to the smallest star of Orion's Belt, Mintaka and that of the smallest Pyramid of the Giza Pyramid Complex. The Pyramid of the Sun corresponds to the middle star of Alnilam. The Temple or 'House' of Quetzalcoatl corresponds to the Great Pyramid of Giza and that of the largest star of Orion, Alnitak. A clue as to the correct matching of pyramids with Stars and the 3 Domes of the Temple Mount have to do with the color of the domes. Based o the Temple Mount, the order is reversed. The Dome of the Tablets corresponds to the 'Stars' and white in color. The Dome of the Rock corresponds to the 'Sun' and is gold in color. The al-Aqsa mosque corresponds to the 'Moon' and is grey in color, etc.

### THE 3RD TEMPLE

It is also strongly argued that the Dome of the Spirits is the actual center point of where the Holy of Holies is located at. Several Jewish organizations such as the Temple Institute are now ready for the Holy Sacrificial Ordinances to begin. The designated Priesthood is trained, the utensils and the major Temple furnishings are already made and ready to be implemented. What is still needed is the Ark of the Covenant that Moses built to be revealed. The 3rd dome, is the called Dome of the Spirits. This is where the Temple of the original 'Shining One' once stood and will. The Glory filled the cubed Holy of Holies. It was the true copy of the original in

**THE HEAVENLY CITY PATTERN**  
As the 'Star Gate' of Persepolis opened up to the Hall of the Nations, it led out to the 7 main structures on top of the platform of stone much like the Temple Mount. It was where the King had his Halls and royal residences, etc. The constellation was that of Taurus that outlined the Royal Road leading up to the 'Star Gate'. Amazingly, in similar fashion and perhaps design, the Taurus constellation can be superimposed onto the entire Kidron Valley. With the outlines as roads, the suggested correspondence is that the Temple of YHVH appears to match that of the Pleiades position. It would render it as the Star Gate to the Halls and Throne Room of the King of the Universe just as much.

### Persepolis Pattern

The 3rd Temple is coming, if the sacred geometry is any indication, the Temple Mount must have the 3rd building to correspond to the Orion's Belt star alignment. It is a supposition that the city temple of Teotihuacán and the Royal Road to Persepolis were a copy of the 'Heavenly City' of the Gods but that it was Lucifer that build it to his glory in various world empire capitals as a counterfeit of the Messiah shepherd priest, much like that of the ministry of Jesus Christ. The Bible declares that Lucifer's AntiChrist, his 'chosen one' will be the one that will usurp the 3rd Temple and cause the Sacrifices to cease. At that time, Lucifer will physically possess this Son of Perdition and enter the 3rd Temple to cause it to be desolate by his abominable act of declaring himself 'GOD'.
