

TRE FRATELLI

Tre Fratelli means “Three Brothers” and the label represents the three hillsides near where the grapes are grown. Tre Fratelli wines symbolize the finest traditions of Italian winemaking. This wine, fermented in temperature controlled stainless steel tanks is available in 750ml bottles.

A lively, dry and crisp white wine.

This grape variety has become a most popular choice for grilled seafood, poultry and veal dishes in white sauce.

The honey-pear, apple and citrus flavors will invigorate your palate; the mellow finish with a hint of white pepper spice adds to its refreshing quality.

Serve Chilled.
