Michigan Flyways Retriever Club Membership For Retriever Training at Jorgensen Farms

April 1 – September 30, 2023 Training Season

MFWRRC is offering to its club members the opportunity for retriever training on the beautiful grounds at Jorgensen Farms. In past years, MFWRRC paid a land-use fee from its treasury for training along with monies collected from hunt tests, trials and seminars to Jorgensen Farms. **For 2023:** All proceeds from training memberships, land use fees and 'per dog access' for tests, trials and seminars will be delivered directly to Jorgensen Farms in order to boost revenue and cover costs. This agreement is on a year-by-year basis and will be at the pleasure of the property owner.

TRAINING MEMBERSHIP COSTS

For 2023, the reduced-rate training membership will be \$175 individual/family (payable to MFWRRC) is available only to current MFWRRC Regular/Household members, if the member worked in a qualifying job in 2022. Members must be in good standing with renewed current year club dues paid in full by March 1, 2023. **For 2023: Training Membership dues are due no later than March 31, 2023. A \$50 late fee will be assessed if received after March 31.**

New club members in 2023 will be charged \$450 (payable to MFWRRC) for a training membership for the season. This cost will be reduced to the current member rate for 2024 if the new member works in a qualifying job (described below) at either a hunt test or other club function during 2023. The cost for current MFWRRC members will be increased to \$450 for the 2023 training season if the member does not work in a qualifying job at either a hunt test or other club function during 2023. **Training membership fees are for the season and will not be pro-rated.**

QUALIFYING JOBS

Michigan Flyways Retriever Club will be hosting three hunt tests in 2023. All three hunt tests will have one 60-dog Master stake, two Senior and two Junior stakes (Sat. & Sun.). Training to do the jobs will be provided! Working the equivalent of **2 full days (8-10 hours)** at one or more hunt tests will qualify a member for the reduced training membership at Jorgensen Farms for the following year. If you are not on the official worker sheet, it is your responsibility to notify the Marshal at your stake if you are working.
