

SPECIAL MEETING TO BE HELD AUGUST 10, 2012

July 13, 2012

LADNER, B.C. – GREAT PACIFIC INTERNATIONAL INC. (the “Company”) (TSX.V: GPI) announces that it will hold a Special Meeting (Meeting) of Shareholders on August 10, 2012.

The Board of Directors of Great Pacific International Inc. has determined that it is in the best interests of the Company to consolidate the Shares outstanding and to change the Company name.

In order to facilitate future equity financings, the Board proposes that the issued and outstanding common shares of the Company be consolidated on the basis of a factor of one post-consolidation common share for a number of pre-consolidation common shares between five (5) and twenty (20), with the final consolidation ratio to be determined by the board of directors (the “Consolidation”). There are presently 47,478,432 common shares issued and outstanding in the capital of the Company. In the event that a shareholder would otherwise be entitled to receive a fractional share after the consolidation, no such fractional share will be issued but the number of common shares to be received by such shareholder will be rounded down to the next highest whole number of common shares. In addition, the Consolidation will not affect any shareholder’s proportionate voting rights (subject to the treatment of fractional shares). Each common share outstanding after the Consolidation will be entitled to one vote and will be fully paid and non-assessable.

In order to pass, the consolidation must be approved at the August 10, 2012 Meeting by 66.67% of the votes cast (in person or by proxy).

The Board feels that it would be advisable to pass an ordinary resolution approving a change of the Company name , from “Great Pacific International Inc.” to “Wescan Energy Corp.” or such other name as the Board of Directors may approve, which is acceptable to regulatory and exchange authorities.

If approval of the shareholders is obtained, the Consolidation and name change will take place following the Meeting at such time as the Board may determine. The proposed consolidation and name change will remain subject to the approval of the TSX Venture Exchange.
