DESCRIPTION: Great looking and performing York Thunderbolt recurve. No delamination; no cracks; limbs are straight. 4-layer overlay tips are in great condition. NO drilled holes. There are a few faint stress lines (likely in the varnish and not the fiberglass) on the face of the bow just below the Thunderbolt decal (see pic). No crazing. A few minor scratches and scuffs. This is a really nice bow in excellent condition for its age. This bow cost \$55 new in 1968, which translates to \$398 in 2019 inflation-adjusted dollars.
