About Us

SUGART has been in business serving USA HORECA Industry for more than 17 years. Our manufacturing facilities and warehouse are located in Lauderhill, Florida.

Our clientele includes some of the world's leading coffee roasters, airlines, restaurant chains, hotels, coffee shops and thousands of homeowners.

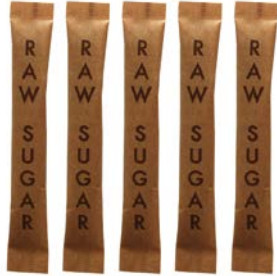

We manufacture and distribute sugar sticks, portion control sugar and sweetener packets, in high quality paper "tubes", available in the clients private-label/branded graphics or in one of our several different standard and special designs. We are also exclusive USA Importers and Distributors of Bistrotea, Germany state-of-the-art Tea Products.

SUGART is dedicated to add value to your business in an effective and economical way, through our special programs and innovative products.
