Layout

Instructions

- With right sides together place the 2 F pieces to either side of B, Then add the G pieces to the top and bottom of the FBF unit, as shown in fig 1.
- Add the C pieces to the I pieces using the clippy corner method used in the Pine Tree block (Shown on fig 2). There are 2 of these units to form top and bottom of christmas ornament.
- Sew the 2 D pieces to either side of J.
- Sew the 2 E pieces to either side of H.
- Sew the 5 rows together.
- The block should now measure 12½" x 12½" .
