Class descriptions:

Leaps and Turns: Leaps and Turns is a 1 hour class that focuses on the technical development and mastery of a variety of leaps and turns within multiple genres of dance. The class will consist of stretching, balance, and strength exercises along with skill practice to aid in the development of a leaps and turns. This class is divided into two levels and is taught by Brooke.

Choreography and Combinations: Choreography and combinations is 1 hour class that will focus on the dancers' ability to learn and perform choreography and combinations in any genre of dance such as contemporary, lyrical, jazz, tap, and ballet. Each class will be divided into two half hour segments and each half hour will focus on a different genre of dance. This class is designed for level 3/4 and is taught by Brooke.

Improvisation: Improvisation is a 45 minute class that focuses on the dancers' ability to feel and interpret music with movement without being given choreographed steps. This class is designed for level 3/4 and is taught by Haylee.
