

Supply list of Growing a Hummingbird Garden with Trish Stuart

Workshop is 9-9-22, CLC Building 9:00-4:00

A kit is required. Kit fee is \$38.00

Your kit includes all fabric needed for the top, backing, batting, fusible web, pattern instructions.

Supplies you must bring:

- Tweezers
- A sewing machine in which the feed dogs drop, a free motion foot, walking foot and regular stitching foot.
- Basic sewing supplies including rotary cutter, mat and ruler
- Sharp medium sized scissors for detailed cut work.
- Thread - neutral color such as yellow, pink (light in color), also dark teal and gray. (Please refer to sample)
- Universal sewing needles in the appropriate sizes (e.g. size 12 or 14).
- If you are using a metallic thread you will need to have a larger eye machine needle, size 12 to 14 embroidery/large eye.
- If you wish to do thread work with the couching foot please bring your couching foot and speciality threads.
- Speciality threads I use are from WonderFil: Razzle and Dazzle for the border and stems, Floriani machine embroidery polyester hot pink (for thread painting inside the flowers)
- Please note that there may be limited time to add speciality threads
