2017 Senior Lifestyle Expo Vendor Registration Form

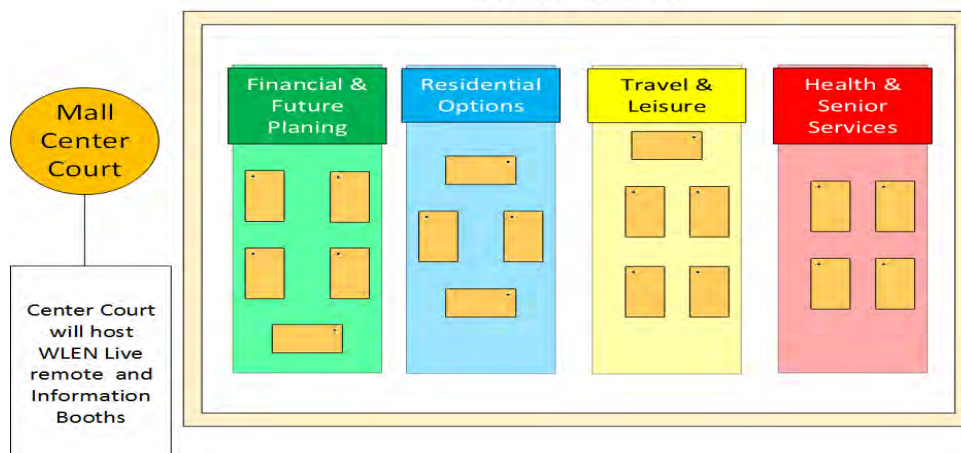

Make plans now to exhibit in the newly formatted Senior Lifestyle Expo - a day of exhibits, hands-on activities, demonstrations, and fun! This event is being developed to make area seniors and their caregivers aware of the wide array of resources, activities, businesses and programs available to them across Lenawee County.

We are asking representatives from area businesses to be on hand for demonstrations, learning exhibits, and information. We will be dividing the Mall into four vendor areas. In addition we are asking representative from each industry sector to help manage info booths located in the mall center court during the entire event to distribute info, answer questions, and encourage visitation to the other booth areas.

The four booth areas are:
