

DUCKS *Paving the Way*

Ducks Paving the Way kicked off a successful campaign offering engraved bricks to individuals, groups, clubs, and businesses to purchase a bronze Mallard Statue placed at the new Taylor Sports Complex. This statue represents the pride of our school district, the City of Taylor and all the people that make up our wonderful community. The Mallard Statue also has a plaque depicting the story of how we became the "Taylor Ducks." Engraved bricks are placed in the area around the statue.

The Taylor Educational Enrichment Foundation is now the administer of this project. Proceeds are invested in Taylor ISD through grants given to teachers to implement in their classrooms. Please join us and add your name, names of family members, organizations, etc. to the list of pavers encircling the Mallard Statue.
