### INSTRUCTIONS FOR FILING A PETITION BEFORE THE BEVERLY SHORES BOARD OF ZONING APPEALS

The information contained in this checklist will assist you in filing a petition before the Beverly Shores' Board of Zoning Appeals ("BZA"). The decision of the BZA depends on a clear understanding of your request. Although not required, many Applicants do seek the advice of an attorney before filing a petition. An Application for hearing on appeal shall be filed with the Chairperson of the BZA within thirty (30) days after the issuance of written rejection, citation or determination by an administrative official, committee or board charged with the enforcement of the zoning ordinance. As the Applicant you are responsible for providing all documents and requested information with the petition no later than five (5) business days before the date of the BZA Preliminary Hearing or the Public Hearing, as applicable ("Deadline"). The information and documents must be accurate and must be submitted to the BZA Secretary prior to the scheduled Deadline, except for proofs of notice which may be delivered on the date of the Public Hearing. It is strongly recommended that the Applicant begin collecting the necessary documents prior to the date of the Deadline. If an Application is not complete or is filed late it will not be placed on the Agenda for the following month. Please submit nine (9) copies of your Application and supporting information. Applicant is advised to thoroughly review the By-Laws of the BZA and the Beverly Shores Zoning Ordinance. Applicant may submit information other than that which is required by this Checklist or the Beverly Shores Zoning Ordinance that Applicant believes would be helpful to the BZA in considering this matter.

#### APPLICATION AND PRELIMINARY HEARING:

In order for a application to be considered complete it must include at a minimum the following (Check all items provided):

- 1. \_\_\_\_ APPLICATION FEE. In the amount of \$500.00 payable in cash, personal check or money order to the Clerk's Office by no later than NOON on the day of the Deadline for the desired Board of Zoning Appeals meeting.
- 2. \_\_\_ COMPLETED APPLICATION.
- 3. \_\_\_SITE PLAN/CONCEPT PLAN. The site plan must be to scale and show the front, rear, and side setbacks. The site plan shall also include all present and proposed buildings and structures, parking areas, location and name of all adjacent streets and roads, a north arrow, and relevant topographical data. Easement and wetland information must also be provided if wetlands if construction activities are within twenty-five feet of a wetland or if easements exist or are proposed on the property in question.

The BZA will review the application materials for completeness and clarity. If it is determined that the application is incomplete, the BZA will notify the Applicant of the missing or incomplete items and schedule the request for the next Board of Zoning Appeals meeting following receipt of a complete application packet.

is being requested.

#### PUBLIC HEARING:

If the BZA determines at the preliminary hearing that the Application contains all required information and that a public hearing is required by applicable law, the BZA will schedule the matter for a public hearing and you must provide the following information to the BZA at the public hearing or the Deadline, as applicable:

- 1. \_\_\_\_\_ SURROUNDING PROPERTY OWNER LIST. The names and addresses of all the property owners within 300 feet in all directions from the lot lines of the subject property shall be provided together with a scaled drawing of the 300 foot radius from the lot lines of the subject property. Information concerning the owners of property within 300 feet can be obtained through a title company or the Porter County Auditor's Office. Owners of the property within a 300-foot radius of each of the lot lines of the subject property must receive notice of your Petition and the scheduled Public Hearing. All property owner information must be submitted as part of the application. It is the Applicant's responsibility to obtain this information.
- 2. \_\_\_\_ SURROUNDING PROPERTY OWNER NOTIFICATION. Applicant shall mail written notice postage prepaid by CERTIFIED MAIL RETURN RECEIPT REQUESTED to all property owners within 300 feet and postmarked no later than ten (10) prior to the date of the public hearing. The Applicant will bring all the original certified and "green cards" to the BZA hearing. If you do not provide proof that you mailed notices to property owners within 300 feet, the public hearing may not be held and the request may be denied, delayed, or potentially revoked at some later date.
- 3. \_\_\_\_ APPLICANT'S AFFIDAVIT OF NOTICE. The Applicant is required to post written notice of the BZA public hearing at the Beverly Shores Post Office and the Beverly Shores Administration Building no later than ten (10) days prior the date of the BZA public hearing. Applicant shall execute an affidavit indicating the notice has been posted and deliver it to the BZA at the public hearing. If you do not deliver proof that the notice was properly posted, the public hearing may not be held and the request may be denied, delayed, or potentially revoked at some later date.
- 4. \_\_\_\_ PUBLICATION NOTICE. No later than ten (10) days prior the date of the BZA public hearing, the Applicant is required to publish written notice of the BZA public hearing in the Chesterton Tribune or other newspaper in general circulation in Porter County, Indiana. Applicant shall deliver proof of publication to the BZA at the public hearing. If you do not deliver proof of publication, the public hearing may not be held and the request may be denied, delayed, or potentially revoked at some later date.

- 5. \_\_\_ STEEP SLOPE. If the variance involves a Steep Slope, Applicant may be required to submit a geotechnical engineering report.
  6. \_\_\_ OTHER INFORMATION. Applicant shall deliver any other information that was requested by the BZA at the Preliminary Hearing prior to the Deadline.
- 7. \_\_\_\_ ONSITE NOTIFICATION SIGN

The BZA may place one or more signs on the subject property in a conspicuous location at least ten (10) days prior to the scheduled public hearing for your requested action. The BZA will collect the sign(s) immediately following the public hearing date listed on the sign. Do not remove the onsite notification sign for any reason without the permission of the BZA. If the sign is damaged or stolen, please contact the BZA so that a new sign may be placed on the property.

#### BOARD OF ZONING APPEALS TOWN OF BEVERLY SHORES, INDIANA BY-LAWS

ADOPTED AUGUST 20, 1981 REVISED JANUARY 19, 1983 REVISED APRIL 11, 1983 REVISED JANUARY 20, 1986 REVISED MAY 23, 2009 REVISED JANUARY 14, 2010

#### **ARTICLE I**

#### **MEETINGS**

- 1. The meetings of the Beverly Shores Board of Zoning Appeals (here-in-after referred to as BZA) shall be held as scheduled by the Board from time to time, except for the first meeting of the year, which shall be held sometime in January for the purpose of reorganization.
- 2. Special meetings of the BZA may be called by the Chairperson on their own initiative or upon request of two (2) members to the Chairperson. The Chairperson shall provide all members at least two (2) days in advance of a special meeting, notice fixing the time, place and purpose of the meeting. Said notice is not required if the time of a special meeting has been fixed in a regular meeting, or if all members are present at the meeting. Notice must be given to the newspaper and posted at least (48) hours before a special meeting.
- 3. A quorum consists of a majority of the entire membership of the BZA. No action of the BZA is official unless authorized by a majority of the entire membership of the BZA at a regular meeting or properly called special meeting.
- 4. Decisions of the BZA shall be by voice vote of the members. Any member shall disqualify themselves or be disqualified from voting, by a majority of the entire membership of the BZA upon determination that the member has a direct or indirect financial interest in the case under consideration. Upon disqualification, the appointing authority shall appoint an alternate to participate as a member in the hearing or decision concerning that zoning matter.
- 5. The Secretary of the BZA shall keep the minutes of all proceedings and shall record the vote on all action taken, which shall be presented to the BZA for approval at the next regular meeting. When approved, the minutes shall be ATTESTED by the Secretary and SIGNED by the Chairperson. A copy shall be kept on file for public inspection at the Administration Building.
- 6. All meetings at which official action is taken shall be open to the general public.

#### ARTICLE II

#### OFFICERS AND EMPLOYEES

- 1. The officers of the BZA shall consist of a Chairperson and Vice-Chairperson.
- 2. The Chairperson shall preside at all meetings and hearings of the BZA and shall have the duties normally performed by such an officer. They shall have the privilege of discussing all matters before the BZA and of voting thereon.
- 3. The Vice-Chairperson shall have the authority to act as Chairperson of the BZA during the absence, disability or resignation of the Chairperson.
- 4. At the first meeting in January the BZA shall elect its officers from among its members by majority vote of the entire membership of the BZA. Such officers shall serve for a one (1) year term.
- 5. Vacancies in officers shall be filled promptly by majority vote of the membership of the BZA.
- 6. The BZA may employ a secretary and such persons as are necessary for discharge of the duties and responsibilities of the BZA and make contracts for special or temporary services and any professional counsel. The secretary shall keep the minutes and records of the BZA in a secure cabinet in the Town Hall. Appointments shall be made by a majority vote of the BZA members. Compensation for such employees shall be fixed by BZA. Total annual expenses for services and counsel shall not exceed funds available for that purpose.

#### ARTICLE III

#### **HEARINGS**

- 1. The BZA shall hear and determine appeals from and review any order, requirement, decision or determination made by an administrative official, committee or board charged with the enforcement of a zoning ordinance.
- 2. A petitioner who wishes to appeal an order, requirement, decision or determination shall file an APPLICATION FOR HEARING ON APPEAL in the form prescribed by the BZA, by depositing said application and any required or otherwise pertinent documents in the UNITED STATES POSTAL SERVICE, postage pre-paid, addressed to the CHAIRPERSON OF THE BZA, c/o TOWN OF BEVERLY SHORES, PO BOX 38, BEVERLY SHORES, IN 46301-0038. The postmark date shall be presumptive evidence of the date of filing. A separate application must be filed out for each type of relief being requested even if they concern the same property and the same project.

- 3. The Chairperson shall accept an appeal only when the administrative official, committee or board charged with the enforcement of the zoning ordinance:
- (1). Has received a written application, rejected said application in writing, and the applicant has appended said rejection with the APPLICATION FOR HEARING APPEAL; or,
- (2). Has issued a written statement citing the property owner for a violation of the zoning ordinance and a copy of said citation has be appended to the APPLICATION FOR HEARING APPEAL; or,
- (3). Has determined the requested relief may not be granted without a variance or special exception and a copy of said determination has been appended to the APPLICATION FOR HEARING APPEAL.
- 4. Application for hearing on appeal shall be filed with the Chairperson of the BZA within thirty (30) days of issuance of written rejection, citation or determination by an administrative official, committee or board charged with the enforcement of the zoning ordinance.
- 5. All appeals shall be accompanied by a FILING FEE OF FIVE HUNDRED DOLLARS (\$500.00) to help defray the administrative costs of the BZA. Shall be filed with the Clerk Treasurer at least five (5) business days before the next meeting in order to get on the agenda.
- 6. The Chairperson shall call a preliminary meeting of the BZA no later than twenty (25) days from the date an appeal is filed for the purpose of determining the sufficiency of the application and to set a date for the public hearing. At the preliminary meeting if the BZA finds, upon review of the information submitted by the applicant or upon its own investigation at the preliminary meeting, that the application is in good order with sufficient data, it shall set a time add place for public hearing. Cases shall come before the BZA in sequence of filing. The Chairperson shall give a written request to the administrative official, Committee or Board whose decision, rejection, citation, or determination is being appealed to provide the Board a certified copy of the documents, plans, papers, and any other evidence constituting the record of the action from which the appeal is taken at least 5 days before the date set for the public hearing.
- 7. Whenever a public hearing is required for any proceeding or permit requiring action by the BZA:
  - A. NOTICE THEREOF SHALL BE PUBLISHED IN ONE (1) NEWSPAPER of general circulation published in Porter County, Indiana circulated in the town.
    - (a) Such notices shall announce the DATE, TIME, AND PLACE OF THE HEARING.
    - (b) SHALL DECLARE THE NATURE AND PURPOSE OF THE

PROCEEDING.

- (c) SHALL DESCRIBE THE PROPERTY OR PREMISES CONCERNED BOTH BY LEGAL AND GENERAL DESCRIPTION.
- (d) SHALL STATE WITH SUFFICIENT CLARITY THE AMENDMENT, PERMIT, APPROVAL OR RELIEF SOUGHT THROUGH THE PROCEEDINGS OF WHICH NOTICE IS GIVEN.
- B. In addition to publication, a copy of such notice shall be posted in a conspicuous place at the Post Office, Town Hall and at the meeting place.

At the hearing an affidavit shall be filed by the person posting said notices stating the date and places of posting, and a publisher's affidavit shall be filed showing proof of publication. All of such notices are in lieu of there being no newspaper of general circulation published in the Town, and said notices shall be so published and posted at least ten (10) days prior to the date fixed for the public hearing.

8. In all appeals to the BZA, personal notice of such appeal shall be given to all adjoining property owners holding title to land within three hundred (300) feet of the property line of property involved. Notice shall be in the form prescribed by the BZA and shall be given by the applicant, mailing such notices by CERTIFIED MAIL RETURN RECEIPT REQUESTED to the last known address of the adjoining property owners to the address of the owner of the property as stated in the records of the Township Assessor or Porter County Auditor at least ten (10) days before the date of public hearing. The responsibility for fulfilling and paying for all posting, publication, and notice requirements shall be that of the applicant and the applicant shall provide the Chairman with the required documentation proving all said requirements were fulfilled.

The Chairperson shall file with the case a copy of such notices, together with the names and addresses of the persons notified.

- 9. In addition to those hearings required by law, the BZA may, at its discretion, hold additional public hearings when it decides that such hearings will be in the public interest.
- 10. When an appeal has been filed with the BZA, proceedings and work on the premises affected shall be stayed unless the administrative official, committee or board rendering the decision appealed from certifies to the BZA that, by reason of the fact stated in the certificate, a stay would cause an imminent peril to life or property. In that case, proceedings or work may not be stayed except by a restraining order.

Upon application, after notice to the administrative official, committee or board rendering the decision appealed from, and to the owner of the premises affected after due cause is shown, the Town BZA or Circuit or Superior court of the County in which the affected premises are located, may grant the restraining order.

#### ARTICLE IV

#### CONDUCT OF HEARING

- 1) At a public hearing before the BZA:
  - (1). The applicant shall first present the facts and arguments in support of the case.
  - (2). Those who oppose the applicant shall follow.
  - (3). After which applicant will have five (5) minutes for rebuttal.

To maintain orderly procedure, each side shall proceed without interruption by the other. Each speaker shall address the chair and be recognized before speaking.

- 2. In the presentation of a case, the burden shall be upon the petitioner to supply all information, including charts, plats, diagrams and other exhibits necessary for a clear understanding of the problem. The BZA may continue the hearing, when in its judgment, the petitioner has not provided sufficient evidence and information on which to make a determination.
- 3. Every person appearing before the BZA will abide by the order and directions of the Chairperson. Discourteous, disorderly or contemptuous conduct shall be regarded as a breach of the privileges of the BZA and will be dealt with as the Chairperson directs.
- 4. The BZA, at its discretion, may continue or postpone the hearing of any case upon an affirmative vote of a majority of the members present.
- 5. The BZA shall:
- (1). Authorize special exceptions to the district regulations only in the classes of cases or in particular situations as specified in the Zoning Ordinance; and,
- (2). Authorize on appeal in specific cases such variances from the terms of the Zoning Ordinance as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the Zoning Ordinance will result in unnecessary hardship, and so that the spirit of the Zoning Ordinance shall be observed and substantial justice done.

Authorization of any variance from the terms of the Zoning Ordinance may only be made upon the BZA making all of the determinations required by IC 36-7-4-918.5 and Sections 540 through 542 of the Zoning Ordinance, in writing.

#### ARTICLE V

#### FINAL DISPOSITION OF CASE

- 1. The final disposition of any case shall be in the form of an order setting forth the findings and determination of the BZA together with any modifications, specifications, restrictions, conditions, or limitations which the BZA determines are appropriate under the circumstances of the case.
- 2. The BZA may dismiss a case for want of prosecution or lack of jurisdiction. When a applicant has failed to appear at two (2) consecutive meetings for which it was announced at the previous meeting that the case would be on the agenda. The case may be dismissed for want of prosecution.
- 3. A applicant may not withdraw a case after a roll call vote has been ordered by the Chairperson.
- 4. A case which has been withdrawn by the applicant shall not again be considered by the BZA within a period of three (3) months after the date of the withdrawal.
- 5. A case which has been decided adversely to the applicant shall not be reconsidered by the Board except upon the presentation of new evidence.
- 6. The Chairperson of the Board shall notify the applicant; the administrative official, Committee, or Board rendering the decision that was appealed; and the Building Commissioner of its determination by providing them a copy of the written decision.

#### **ARTICLE VI**

#### **AMENDMENTS**

- 1. These By Laws may be suspended or amended by a four-fifths (4/5) vote of the entire membership of the BZA.
- 2. Upon amendment of the By Laws, complete new By Laws shall be distributed to all BZA members, the Board Attorney, Secretary and Town Clerk and shall be available for review by the public, including any applicant, in the office of the Town Clerk. The Clerk shall provide copies to anyone upon their request upon the payment of \$2.00. Reasonable steps shall be taken to make the By-Laws accessible on the Town's website.

| The Application of:                                                                                                                                                                                 |
| Parcel No                                                                                                                                                                                           |
| Variance Requested:                                                                                                                                                                                 |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
| 1. That the DEVELOPMENT STANDARD VARIANCE requested WILL WILL NOT be injurious to the public health, safety, morals, and general welfare because of the facts shown as follows:                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
| 2. That the use and value of the area adjacent to the property included in the variance WILL WILL NOT be affected in a substantially adverse manner BECAUSE of the facts shown as follows:          |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
| 3. The strict application of the zoning ordinance WILL WILL NOT result in practical difficulties in the use of the property for which the variance is sought BECAUSE of the facts shown as follows: |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |

| 4.     | There IS          | IS NOT                  | a practicable alternative site on the property which would avoid                                                                                                                                           |

| Variance Requested:                                                                                                                                                                                 |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
| That the DEVELOPMENT STANDARD VARIANCE requested WILL WILL NOT be injurious to the public health, safety, morals, and general welfare because of the facts shown as follows:                        |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
| 2. That the use and value of the area adjacent to the property included in the variance WILL WILL NOT be affected in a substantially adverse manner BECAUSE of the facts shown as follows:          |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
| 3. The strict application of the zoning ordinance WILL WILL NOT result in practical difficulties in the use of the property for which the variance is sought BECAUSE of the facts shown as follows: |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |

|                             | e IS IS NOT a practicable alternative site on the property which would avoid impact to the Steep Slope BECAUSE of the facts shown as follows:                                                                                                                                                                                                                                                                                                  |

## BEVERLY SHORES BOARD OF ZONING APPEALS DEVELOPMENT STANDARD VARIANCE APPLICANT'S PROPOSED FINDINGS OF FACT

| NO                                                                                                                                                                                                  |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| The Application of:                                                                                                                                                                                 |
| Variance Requested:                                                                                                                                                                                 |
|                                                                                                                                                                                                     |
| That the DEVELOPMENT STANDARD VARIANCE requested WILL WILL NOT be injurious to the public health, safety, morals, and general welfare because of the facts shown as follows:                        |
|                                                                                                                                                                                                     |
| 2. That the use and value of the area adjacent to the property included in the variance WILL WILL NOT be affected in a substantially adverse manner BECAUSE of the facts shown as follows:          |
|                                                                                                                                                                                                     |
| 3. The strict application of the zoning ordinance WILL WILL NOT result in practical difficulties in the use of the property for which the variance is sought BECAUSE of the facts shown as follows: |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |

## BEVERLY SHORES BOARD OF ZONING APPEALS DEVELOPMENT STANDARD VARIANCE FINDINGS OF FACT AND DECISION

| Variance Requested:                                                                                                                                                                                 |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
| 1. That the DEVELOPMENT STANDARD VARIANCE requested WILL WILL NOT be injurious to the public health, safety, morals, and general welfare because of the facts shown as follows:                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
| 2. That the use and value of the area adjacent to the property included in the variance WILL WILL NOT be affected in a substantially adverse manner BECAUSE of the facts shown as follows:          |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
| 3. The strict application of the zoning ordinance WILL WILL NOT result in practical difficulties in the use of the property for which the variance is sought BECAUSE of the facts shown as follows: |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
|                                                                                                                                                                                                     |
