

February 2019

A Note from the Teacher:

Hello Parents! One reminder for you all is to remember that our Penny War was extended and will end Friday February 1st. We want to be the winning class! Another reminder as we are getting into the winter where we spend more time indoors, sickness begins to spread quickly. If your child has a fever and we send them home, they CAN NOT come back the next day unless you bring a doctors note. We want to help your kiddo get a good recovery and feel better as well as take care of the kids that we do have. We are all looking forward to when we get to get back outside and enjoy the fresh air! We do have a few no school days this month so make sure that you are signing your child up on the sign-up sheets posted by the whiteboard in our classroom so we can make sure we can plan how many teachers need to come in!

Miss Kamryn

Dates to Remember:

- February 15th No School
- February 18th No School
Field Trip to Glass Depot

I am so grateful for every
one of the kiddos I am
blessed to have in my room. I
love every single one of them
and their silly personalities.
