

Pixie Music Program

- * Each week, students in our three- and four-year-old programs, enjoy attending music class with our Music Director, Mrs. Jeanne Marino. She is a graduate of SUNY Fredonia and holds a degree in Music Education. Our music program provides a solid foundation in music, rhythm, and performance. In addition to teaching them songs, Mrs. Marino teaches students the basic concepts of music such as loud/soft, low/high, steady beat, and music terminology including forte, piano, finale, and a cappella.

Family members and/or guests are invited to attend four musical performances during the school year including a Halloween Show, Holiday Program, and Mother's Day Tea. In June, our three-year-old students have a themed Year-End Performance and our four-year-old students have a Graduation Ceremony.
