

**David Kellenberger** believes personal and business integrity are key to success in any business operation. He is the founder of the company and has an extensive business background. He understands business and the challenges business owners face, and is able to help you sell or buy your Business or Real Estate Investment. He will handle your transactions with confidentiality and integrity.

**Education:**

Mr. Kellenberger has an Industrial Engineering degree from Kansas State University and an MBA from Xavier University through affiliation with the University of Kentucky where he attended classes. He has considerable education in International Business at the graduate level from the University of Texas at Dallas.

**Business Brokerage and Real Estate:**

Mr. Kellenberger has been involved in business brokerage and commercial real estate since 2000. He has had extensive training in both specializations. Business Broker training has been through Business Broker's Network and the International Business Broker's Association. Real Estate education is required annually and extensive additional training and evidence of success is required to obtain the CCIM designation; a designation achieved by fewer than 1% of Realtors. He is affiliated with the dominant Real Estate Firm in Lafayette and Louisiana: Van Eaton & Romero/NAI Latter & Blum. 337-267-4109.

**Business Experience:**

In addition to successful management of multi-state and multi-national plants and divisions, Mr. Kellenberger has been a registered Professional Engineer, a national trade association president, a member of the Texas State Bar Association Grievance Committee, and a bank board member. He is active in his local church.

As a business broker, he has achieved the professional designations of "Certified Business Broker", "Business Transfer Specialist", and "Financial Recasting Consultant".

As a business professional running manufacturing businesses and divisions for over twenty years, his operations received awards for **Texas Business of the Year**, and won the **Industry Week Magazine's "America's Best Plants"** award. He **achieved ISO 9001** certification for several operations he managed and consulted. He understands business!
