Kicks For Hope Tournament

Planning for August 6th and 7th. New Hope Center is requesting to use the Nennig Park facilities for their tournament as their existing set up at Hobart Park is getting more and more difficult to use. Their formal request is to use all equipment at the facility, but they are open to suggestions and discussion on that. Typically they make about \$1,800 on beer sales and \$1,000 on food for the tournament.

The Chilton Athletic Club agrees to allow use of the facilities to New Hope Center under the conditions that they be good stewards of the grounds and the agreement will be reviewed on a year by year basis.

New Hope Center Uniforms

A discussion was had on the uniforms for the upcoming season and if New Hope Center could provide the uniforms to the players. Various embroidery/sublimation/Screen Printing processes were discussed. The uniform process this year will have to begin sooner due to the issues with the supply chain. New Hope will not be able to handle production of the current uniforms due to print sublimation, but it did sound promising that New Hope could run a team store for the club. This would help the club outsource apparel sales to a local organization.

2022 Registration

Shane Glidden will be setting up registration sooner this year to help with numbers and uniforms needed.

Fall Work Day

Fall work day was a success with roughly 12 club members putting in their time to help winterize the facilities. Nets still need to be placed in the coolers. New gutters will need to be hung on the west side of the facility as those were torn off in order to repair the fascia.

East Shore Meetings

Some minor rule changes, nothing major of note from the meetings.

Equipment Maintenance and Winterization

Thank you to Terry Criter for his work on maintaining the equipment and preparing for winter.

Annual Report to the City

Terry Criter provided the update to the City. Thank you to Terry for doing that. Please check the city council minutes for the full update.

Concessions Update

Denise Woelfel's distributor has many of the same exact products as what the club was previously offering. The club also agreed to evaluate burgers from the distributor and possibly cheese. This will simplify the process for the stand manager.

CAC By-Law Update

CAC will work on updating the bylaws.

High School Field Maintenance

Thank you Terry Criter for helping with the high school field maintenance.

Men's Team Update

Tim Kolbe will be managing the men's team moving forward as Jacob Bennin is retiring from playing.

Concessions

Leftover food is available for purchase.

Kolbe Drive Thru Brat Fry

The event went well and the Kolbe's thanked the club for the use of the park. Club is glad to hear of the success of the event.

Long-Term Improvements

A discussion was had on long-term capital improvements and creating a wish list of future projects. The club is committed to maintaining Nennig Park to a high quality ball diamond.

11/3 Meeting

11/3 meeting to be held at Neighborhood Pub and Grill at 7 PM.

Adjournment

Motion: Shane; 2nd: Ron
