We will meet

All funds raised will support **March for our Lives (MFOL)**.

The Walk will be on **Saturday May 18th 2019**

Meeting time: **12:30 pm SHARP** Saturday May 18th, in Prospect Park **on the Park Drive Loop at 9th Street**. Enter Prospect Park at 9th street and walk straight ahead until you meet the loop. The Walk will begin at **1pm sharp** and leaders from MFOL have promised to join us.

All money raised will support the services provided by the organization **March for our Lives (MFOL)**.

March for our Lives (MFOL) was created by students from Margery Stoneman Douglas high school in Parkland, Florida in 2018 after a shooting in their school which resulted in 17 deaths. Their mission is to bring gun control to the USA and they have spent their last year of high school to this movement.

FROM MFOL: **“Not one more.** We cannot allow one more person to be killed by senseless gun violence. We cannot allow one more person to experience the pain of losing a loved one. We cannot allow one more family to wait for a call or text that never comes. We cannot allow the normalization of gun violence to continue. We must create a safe and compassionate nation for our youth to grow up in.”

AND KBF ECHOES: **“NOT ONE MORE!”**

How to participate in our Walkathon:

- 1) **Email us at satya007@gmail.com to let us know you are participating.**
- 2) **Set a goal for yourself, and make it a challenge. Maybe try and raise \$500 or \$1,000!**
- 3) **Get your family and friends to sponsor you.** Tell your parents, grandparents, family friends, etc. about this wonderful cause, and ask them to support your participation.

Pressed for time? Send an email to 10 relatives and close family friends asking them to consider sponsoring you (flip this page for donation information). It'll take under 15 minutes, and we know from experience how effective it is!

- 4) **Spread the word!** Ask other people – friends, siblings, parents, family friends – to come!
- 5) **Walk with us on May 18th!!!!**

So get started! **You can do it!** And try to bring at least three other people to the walk with you. It'll be lots of fun – what's better than a run or walk in the park with friends – and you'll be partaking in one of the most important movements of our day: making sure that people in our society can go through a day without the fear that a gun could end it.
