Property Transfer Tax Return

General Information

Please print in BLUE or BLACK ink only.

Do not copy for future transfers or use photocopied forms. Please use a new blank form for each transfer.

When is a Property Transfer Tax Return Required?

The property transfer tax is a tax on the transfer by deed of title to real property in Vermont. A Property Transfer Tax Return must be filed with a Town Clerk whenever a deed transferring title to real property is delivered to them for recording. A Town Clerk cannot record a deed unless it is accompanied by a completed Property Transfer Tax Return.

Who is Liable for the Tax?

The Transferee (buyer) is liable for the transfer tax.

What Documents are Deeds for Property Transfer Tax Purposes?

The following documents are considered deeds and must be accompanied by a completed Property Transfer Tax Return when they are recorded at the Town:

- warranty deed;
- quitclaim deed;
- any agreement, instrument or memorandum evidencing an agreement;
- or instrument in which the grantee holds equitable title and is entitled to possession at any time during the term of the agreement and in which the grantor reserves legal title to the property for a period of time (or until the grantee satisfies conditions specified in the agreement or instrument, including, but not limited to, a bond for a deed, title bond, contract for sale, contract to convey, executory contract for sale, installment sale and lease for a deed).
- A lease is subject to tax if it is for a period of at least 50 years (including possible renewals), or if the lessee has a purchase option and the right to construct a building or structure, or make major capital improvements, such as water systems, sewer systems, roads or parking facilities.

No return is required to be filed when the following documents are delivered to a town clerk:

- mortgage deed
- assignment of mortgage
- subrogation of mortgage
- release or discharge of mortgage
- attachment
- lien
- license to sell;
- agreement to sell;
- option to buy;
- deed of a cemetery plot;

- utility line easement purchased by a public utility or municipality for \$500 or less, disclaimers pursuant to 14 V.S.A. Chapter 83.
- Transfers of property to the United States of America, the State of Vermont, or any of their instrumentalities, agencies, or subdivisions; if the transfer is of an interest in property for highway purposes and the consideration for the transfer is \$10,000.00 or less. An entity acquiring such properties shall notify the Town's Listers of the grantors, grantees, consideration, date of execution, and location of the easement property when that entity files to record a deed transferring a utility line easement that does not require a transfer tax return under this subsection.

Please remember, **DO NOT SEND PAYMENT FOR PROPERTY TRANSFER TAX DUE TO THE TOWN. THE TAX IS DUE AT THE TIME OF TRANSFER and is PAID TO THE VERMONT DEPARTMENT OF TAXES.**

Exemptions

If the transfer qualifies for an exemption, please complete Line E1 with the correct exemption number. Failure to enter an exemption number may result in a bill to the buyer.

Income Tax Withholding and Certification

Vermont income tax is due on the gain from the sale of Vermont real estate, whether the seller is a resident, part-year resident or nonresident. For nonresident sellers, the buyer is required to withhold 2.5% of the value paid for the transfer and send it to the Commissioner of Taxes with Form REW-171 within 30 days after the transfer.

A nonresident individual is one who is domiciled outside the State at the time of closing. A partnership, limited liability company or a subchapter S corporation is a nonresident entity to Vermont if the controlling interest is held by nonresidents. A corporation (other than a subchapter S corporation) that was incorporated outside Vermont is a nonresident entity to Vermont unless it has its principal place of business in Vermont and does no business in its state of incorporation.

Exemptions from Real Estate Withholding may apply. Read the instructions for Form REW-171. If this transfer qualifies for an exemption, check the appropriate box on the Withholding Certification section of the Property Transfer Tax Return.

A Vermont Income Tax Return must be filed within the time prescribed for filing the federal income tax return. Any tax liability in excess of withholding must be paid by the seller with the return. Any excess withholding will be refunded to the seller by the Vermont Department of Taxes.

In the case of an installment sale, the seller may elect to report the entire gain in the year of sale by paying a tax of 6% of the entire gain. If this election is not made, the withholding will be retained by the Department and applied as a credit against the seller's tax liability in each year that the installments are received.

Please read the entire instructions to correctly complete the return. If you have any questions, please call (802) 828-5860.
