How does the gift exchange work?

- Each participant should bring a wrapped gift around the ten-dollar price range for each person listed in their group.
- The gift can be something that represents your state, something fun, or even something that fits a queen.
- Please clearly label your gift to the recipient and who the present is from.
- Bring your gift to the Reigning Queen Dinner on Friday. If you cannot make it, then bring the gifts to the Welcome Meeting on Saturday morning.
