THANK YOU

We live in a wonderful community where friends and neighbors anticipated our need for help. This is the situation that Feudor and I found ourselves. A huge thank you to those community members who helped by providing meals, medical rides to Duluth, cleaning, winterizing, raking leaves; walking Lucy (our dog), calls, and letters of encouragement.

Kim Josephson organizational skills kept all these services running smooth as silk with Steve Josephson being our go to guy. A special thanks you to our First Responders. Ambulance Service, Police Dept. and Hospice Service which includes Solvay House.
