

TESTIMONIAL DISCLAIMER

Testimonials found at coradofitness.com and/or from Corado Fitness are unverified results that have been forwarded to us by users of the Corado Fitness program, and may not reflect the typical purchaser's experience, may not apply to the average person and are not intended to represent or guarantee that anyone will achieve the same or similar results. If we have disclosed typical results based on information provided to us by a manufacturer or other reputable third party source, you should presume that the typical results as stated are more reliable than the testimonials and other examples found at coradofitness.com and/or from Corado Fitness. However, you should always perform due diligence and not take such results at face value. We are not responsible for any errors or omissions in typical results information supplied to us by manufacturers or other reputable third parties. If a product or service is new, you understand that it may not have been available for purchase long enough to provide an accurate results history. Again, it is possible that even with perfect use of the program; you will not achieve the results described in testimonials. They are meant to be a showcase of the best results the program has produced, and should not be taken as the results a typical user will get.

RISKS OF PRODUCT USE

The website's content is not a substitute for direct, personal, professional medical care and diagnosis. None of the diet plans or exercises (including products and services) mentioned at coradofitness.com or from Corado Fitness should be performed or otherwise used without clearance from your physician or health care provider. The information contained within is not intended to provide specific physical or mental health advice, or any other advice whatsoever, for any individual or company and should not be relied upon in that regard. We are not medical professionals and nothing on this website should be misconstrued to mean otherwise.

There may be risks associated with participating in activities mentioned on coradofitness.com for people in poor health or with pre-existing physical or mental health conditions. Because these risks exist, you will not participate in such diet plans if you are in poor health or have a pre-existing mental or physical condition. If you choose to participate in these risks, you do so of your own free will and accord, knowingly and voluntarily assuming all risks associated with such dietary activities. These risks may also exist for those who are currently in good health right now.

In addition, the Corado Fitness program is designed to be a challenging program which is designed to get you results as fast as possible. An important component of the program is may include lifting heavy weights (barbells and dumbbells). This activity is inherently risky, and especially so if done with poor form. You may experience muscle tears, pulls, sprains, dislocations, or other undesirable health consequences. Users assume all risks inherent with microwave cooking, including possible risks of cancer and other undesirable health consequences.
