GLOBAL COVID FRAUD! Evidence that all the data is 100% false

This is an excellent site and resource with much detail as can be seen below. [StopWorldControl.com](#).

EXPOSING GLOBAL COVID FRAUD

It is hard to believe that such a global deception could occur, yet the evidence is all here. Thousands of medical doctors, nurses, and patients around the world testify of completely false covid registrations. Funeral directors confirm countless false death certificates.

Check the evidence for yourself...

Murder in New York

New York is the epicenter of the covid-19 pandemic. In the heart of New York is the famous Elmhurst hospital where supposedly more people are dying from this virus than anywhere else in the world.

It's literally the epicenter within the epicenter of the pandemic.

For this reason, an experienced nurse from Florida, **Erin Olszewski**, decided to go there to help with the crisis. What she saw in this world famous hospital, however, filled her with so much horror, that she decided to take a hidden camera with her to film

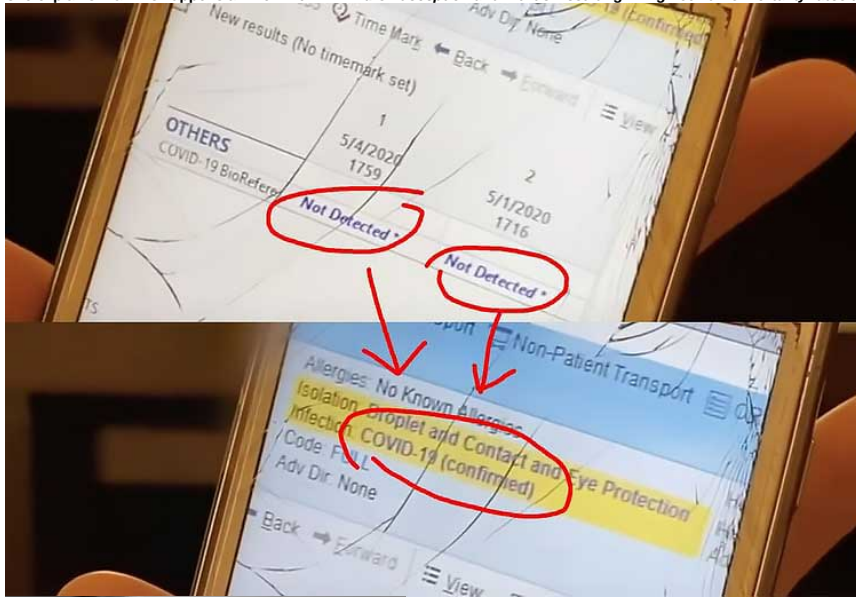

what was going on.

Patients who repeatedly tested negative for covid-19, are still registered as 'confirmed covid-19' and treated as such. They are put on a respirator in a covid ward... which causes them to die.

In a revealing documentary by **Journeyman Pictures**, this nurse talks about the crimes she constantly sees happening in Elmhurst.

She shows on her smartphone how a patient indeed tested negative for covid-19 twice... and yet was registered as 'confirmed' covid-19'. (8)

She explains that this happens all the time in Elmhurst: deception and murder resulting in high covid-19 mortality rates that are trumpeted.

'People come in with respiratory problems due to fear, because everyone is afraid. They're tested negative for covid, but are still put on a ventilator, causing them to die.'

Erin Olszewski

NURSE ELMHURST HOSPITAL, NEW YORK

Patients are murdered

A similar testimony comes from an anonymous nurse at another hospital in New York. This woman cries out in sheer despair, about the murders she constantly sees happening on her ward.

Every time she said anything about it, she was moved to a different department.

All her attempts to knock on the door of official bodies proved fruitless. In the end she made a video which she shared on the internet (8B).

'People, I'm not stupid. I know some people are dying of Covid, but people are literally being murdered here. Yeah, because if you put someone with a stable heart rate of 40 on the defibrillator, that's murder. And if you increase the pressure too much and inflate their lungs from the inside, that's murder.'

NURSE FROM NEW YORK

'Orders from above'

On Facebook, a video had four million views, in which **Lena Kay** tells how her father had died of Alzheimer's disease.(9) When they received the death certificate, they were surprised to see that it mentioned covid-19. She wanted to have this wrong information corrected and contacted the family doctor. His answer was shocking:

'Orders from above by the National Health Service. Anyone who dies during this period should be registered as covid-19.'

A friend of her family died during the same period from heart disease. On his death certificate covid-19 was also mentioned.

His family members were furious and called their family doctor, who gave exactly the same disturbing answer:
'Orders from above, we must put covid-19 on every death certificate.' The doctor acknowledged they're under a lot of pressure to do this.

'The general practitioner replied: "Orders from above by the National Health Service. Anyone who dies during this period must be registered as covid-19."

LENA KAYE

Hospitals commit fraud

All over the world **thousands of people** testify how false Covid registrations are made in hospitals and medical centers. Patients tell how they went to the hospital, for example, for a heart attack, a traffic accident, a painful fall, or a stroke. Without performing a test, medical staff promptly registered them as covid-19 patients. Someone on Facebook started sharing this kind of testimony and became a hotline for countless fake Covid registrations. Nursing staff confirms this deception. Here are some examples from the hundreds of testimonies (10):

The grandmother of an acquaintance of mine died. She was referred to as a covid death, although covid had nothing to do with it. – *Brian Parker*

I personally know two people – one died of a pulmonary embolism and the other died of old age. On the death certificates was covid-19. That baffled me, because it just wasn't true! – *Leah-Marie Stephens*

I fill in hundreds of death certificates. He's 100% right. The guidelines sent to us are to always mention covid-19 as the cause of death, even if it's presumed. – *Jessica Littleton*

Kidney nurse here, I can vouch for this. I've seen it done. All deaths except fatal shootings or fatal car crashes are on the list of Covid19 deaths. – *Jennifer Combs Allen*

All over the world people testify about false covid registrations in hospitals, nursing homes, medical centers, general practitioners, etc. The figures are inflated to create global panic.

Funeral directors:

'They fill in the stats.'

Journalists from **Project Veritas** phoned several undertakers. They revealed that all death certificates state that covid-19 is the cause of death, while it is not. These are some statements from undertakers (11):

'They put covid-19 on her death certificate. Then a judge called the hospital, and there came an independent investigation. And bingo, not covid-19.'

Josephine Dimicelli, president Dimicelli & Sons Funeral Home

'In my opinion, all they do is fill in the stats. People who didn't have Covid-19 are added. That's how you're making New York's mortality rate much higher than it should be.'

Joseph Antioco,

DIRECTOR Schaeffer Funeral Home

Fake covid-hospitals in Brazil

A member of the Brazilian government broke into a campaign hospital, set up to treat large numbers of Covid patients. He and his security team weren't allowed to enter the hospital, but forced their way into it. They filmed everything and revealed how the hospital is a scam, with hardly anybody present. There were coffins that supposedly contained dead covid patients, but when opened they turned out to be empty.

This hospital was however touting alarming Covid numbers: 5,000 covid-patients and 200 deaths. It turned out to be 100% fraud. (12B)

In São Paulo, the Anhembi Action Hospital was also unexpectedly checked. The whole building turned out to be largely empty as well (see picture above). (12C)

Yet they also spread dramatic covid numbers.

The Brazilian president has called on his people to film the hospitals and expose this large-scale deception. In an interview he stated: (12D)

'The people will soon see that they were tricked by these governors and by most of the media when it comes to the coronavirus.'
Jair Bolsonaro, President of Brazil

Big money for covid registrations

Dr. Scott Jensen, who is also a Senator of the state of Minnesota, states in an interview with Fox News: 'Hospitals receive as much as \$13,900 for every patient they register as covid-19. For every death resulting from covid-19, that amount is tripled: 30,900 USD! Testing is not necessary...'

The result is absurdly incorrect covid-19 numbers, which are spread nationwide by the media (12).

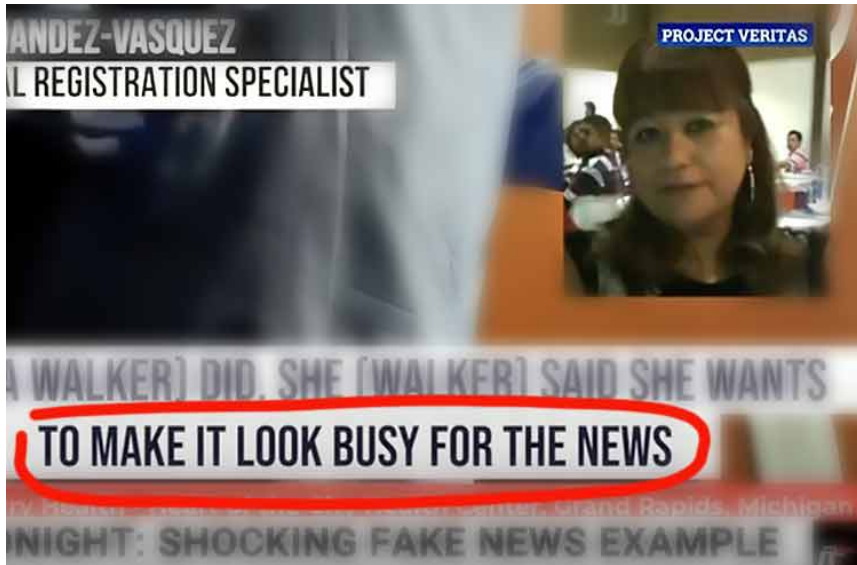

'Hospitals get big money for every covid-19 registration. No testing required. The result is massive fraud with covid-numbers.'
DR SCOTT JENSEN, SENATOR MINNESOTA

CBC fakes a covid test crowd

The American news agency CBC made a program about a covid test center. However, few people appeared to report for the test, indicating a *low number of infections*.

CBC then instructed the medical staff to stand in line themselves and pretend they were all infected people who wanted to be tested.

Other staff members had to drive their cars around the test centre all the time to create the illusion of great crowds. Project Veritas has video recordings and testimonials from insiders, unmasking this deception. These are some of their statements, which are on film: (12E)

We knew the CBC was coming, but we had no idea we'd have to play fake patients. – Medical staff member

I think they just wanted it to look busy. – Medical staff member

The deceptive footage was then shown by the CBC to their millions of viewers in America, who were thereby imprinted with the message that there are 'many infections' and people wanted to get tested en masse. Total fraud!

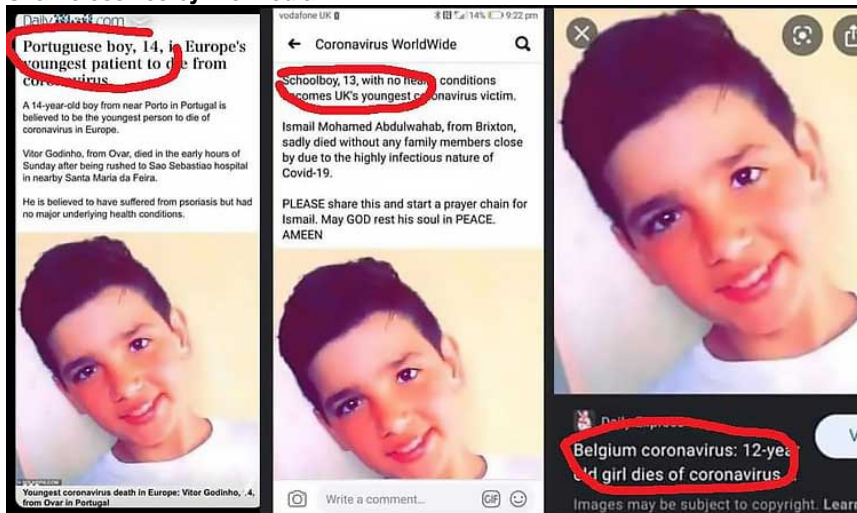

Covid counted twice in UK

Health Services of England recently admitted to double counting tens of thousands of covid-19 registrations. (12F) Yes, you read that right! In England, tens of thousands of covid-19 tests were double-counted.

Texas insanity

In the state of Texas anyone with a headache or a fever is now listed as covid19, and up to 15 people who are in contact with that person are added as covid19. That's how they create staggering numbers. It's insane... (12G)

Shameless lies by the media

A photo of a boy was distributed by news agencies all over the world, but with conflicting coverage. The Daily Mail claimed: 'A Portuguese boy of 14 is Europe's youngest patient to die of Corona.' The same photo was distributed by the Daily Express with the text: 'A 12 year old girl from Belgium dies of corona'. Another agency used the same photo and stated: 'A 13 year old boy from England died of corona'.

The same happened to another picture of a boy who died in 2017 due to a dangerous 'suicide' game. Three years later his photo is used to claim in the mainstream media that he was the youngest victim of covid-19 in England.

My papa never died of this virus!

A girl cried on the internet with a broken heart that her father had died of health problems he had had for a long time. To her astonishment she saw shortly afterwards how the media claimed that her father died of covid-19. She is furious: **'My papa never died of this virus! And the media and the lying ass government is fraud! He had health issues way before this even happened. They did NOT confirm with our family that he had this shit! And the media won't clout off his name. This is going tooooo far!'**

Same footage, different locations

CBS showed alarming news stories about refrigeration trucks used in San Antonio, Texas, to transport large numbers of dead bodies. A viewer however noted that this same footage had been used to tell the same story about New York City and New Jersey.

I don't know if many of you saw the grim news about refrigeration trucks in San Antonio yesterday on CBS. But I'd like to just point out that then EXACT SAME FOOTAGE was used months ago claiming it's NYC and New Jersey. This is no joke, the 4th time CBS has been caught doing this.

"The hospital system as a whole, as we said, is under severe stress," said San Antonio Mayor Ron Nirenberg.

**Italian hospital claimed to be
New York hospital**

The same news agency showed footage of a supposed New York hospital full of dying corona patients, but that same footage had been broadcasted earlier in Italy by Sky News showing it was an Italian hospital.

MEDIA DECEPTION

These examples are just the thin layer of ice at the very top of a huge hidden iceberg. Unimaginably more is going on. The media are spreading lies to create global panic. At the same time they suppress effective and safe treatments for covid-19.

'This is a media epidemic'

That we are dealing with massive brainwashing by the media is confirmed by the world's leading virologist and flu specialist, Professor John Oxford of Queen Mary University in London.

'Personally, I would say that the best advice is to watch less news on television that is sensational and not good. I consider this covid outbreak to be a serious winter flu epidemic. Last year we had eight thousand deaths (in the UK) in this category, of which 65% had heart disease and so on. I believe covid will not exceed that number. We're suffering from a media epidemic!' (27A)

97% were never tested

A prominent newspaper in Belgium, De Tijd, discussed how the government announced that some three thousand elderly people had died of covid-19. Partly because of these figures, the entire country was placed in an extreme lockdown, with horrifying destruction as a result. However, further research showed that only 3% of the deceased had been tested.

This means that not 3,000 but only 90 elderly had covid-19. (15)

Tanzania exposes deception

President John Magufuli of Tanzania questioned the covid-19 numbers of his country. There were more than 400 cases and 16 deaths. He accused the National Medical Laboratory of lying. To substantiate his suspicions, he sent two samples that supposedly belonged to people to have them tested. The samples, however, came from a papaya fruit and a goat. As he suspected, they came back... with positive results: 'These people are infected with covid-19.' This is how he unmasked the deception (16).

Coroner:

'There's no killer virus'

The respected German coroner **Prof. Dr. Klaus Püschel** has examined more than 140 coronadalties in Hamburg in recent weeks. On German TV he said that the hysteria around the coronavirus has been gravely exaggerated. All the people who died had underlying disorders and would have died quickly anyway, with or without the virus, according to Püschel, adding that there is no 'killer virus'. The professor of the University Medical Center Hamburg-Eppendorf stated (13):

"This may sound harsh, but they would all have died this year."

Eighty percent of patients suffered from cardiovascular disease and the average age was 80 years. Healthy people don't have to worry, says Püschel. The coroner also predicted that corona will not even cause a peak in the annual mortality rate.

'It's not a killer virus that many will die of. This virus is also not necessarily a death sentence for the elderly and sick. Most will survive the disease.'

Prof. Dr. Klaus Püschel

Furious about lies

The Italian politician **Vittorio Sgarbi** is furious about the far-reaching covid-19 deceptions. He exclaimed in the Italian Chamber of Deputies:

'It is necessary to be united against dictatorships and to be united in the truth. Let's not make this the chamber of lies. Don't lie! Tell the truth.'

'Don't say there's 25,000 dead. It's not true. Don't use the dead for rhetoric and terrorism. Figures from the Higher Institute of Health say 96.3% died of other diseases.' (14)

Media is bribed

The reality of large scale media deception was exposed by German Journalist **Udo Ulfkotte** who was an editor for one of Europe's largest newspapers, the Frankfurter Allgemeine Zeitung (FAZ). He wrote the book 'Bought Journalists' in which he confesses how he and his colleagues were bribed for decades by American billionaires, the CIA, the German secret service and various shadow governments to write nothing but lies. In the video below he makes the following confession:

'I've been a journalist for 25 years. I was taught to lie, to betray and to never tell the truth to the public. ... I was bribed by American billionaires to report... not exactly the truth.' (26)

Google brainwashes humanity

A major player in the spreading of false informatin and the plan to control mankind, is the nr. 1 source of information: **Google**.

Recently a senior software engineer of Google came out with shocking revelations. After working for Google for eight years **Zach Vorhies** could no longer live with his conscience. He came forward with disgusting revelations about Google's mission. His statement essentially boils down to this:

Google manipulates mankind by hiding certain information and imposing other information. Their mission is to 'program' humanity.

Zach Vorhies took the dangerous step of revealing 950 pages of internal documents, demonstrating this strategy. (57) Google has at least nine blacklists with thousands of websites that they deliberately hide from mankind. Google sent police, a SWAT team and an explosives team to intimidate him. Zach persisted and made the information known worldwide. These are some of the statements of this brave whistleblower:

'Google is not a source of objective information. They're a very one-sided indoctrination machine. Google's basic strategy is 'programming people.'

Zach Vorhies,
Senior Software Engineer at Google

False 'fact checkers'

Google and media companies are now flooding the internet with so-called 'fact check' websites. These are supposedly meant to unmask fake news, but every researcher soon notices that it is just another tool to deceive the people.

All too often revealing truth is dismissed as 'fake news' and deception is defended as 'fact'.

Not everything they write is wrong of course, that would be too obvious. But the many 'fact check' websites are essentially yet another means of Google and corrupt billionaires (who set up these websites) to hide truth from mankind.

That's why Google puts these websites at the top of the search results.

The seriousness of this situation is that Google and the corrupt media are working closely with various Big Tech companies to censor humanity and distribute only a prescribed script. *It is global mind control.*

Eyewitness censored by fact checkers

An example of the corruption of so-called 'Fact Checkers' could recently be seen on Facebook. I already mentioned Nelleke Bakker, who worked for 25 years at the Dutch Health Organization (RIVM) in the vaccination department. Recently someone shared her interview in which she talks about the many lies she has seen at the RIVM. A Facebook Fact Checker described that message as 'incorrect'. *While it is her own 25 years of experience!*

A clear example of the corruption of 'Fact Checkers': an authentic eyewitness statement is dismissed as 'incorrect'.

A Facebook insider Zach McElroy recently came forward with evidence for what many already knew: Facebook employs large numbers of workers whose fulltime job it is to censor content. (58B)

'We are the ones who decide what can and cannot be said on Facebook'

Zach McElroy, Facebook insider

2500 doctors and experts:

'This is a global crime!'

In Germany, the association "Doctors for Information" is supported by **more than 2500** doctors, scientists and top professionals. During a press conference their spokesman Dr. Heiko Schoning said (18):

The measures we all experience have nothing to do with suppressing the virus. So... who are actually being suppressed here?

The Corona panic is a play. It's a scam. A scam. It's high time we understood that we're in the midst of a global crime.

'The corona panic is a play. It's a scam. Swindle. It's high time we understood that we're in the midst of a global crime.'

Hundreds of Spanish medical doctors say the pandemic is planned

The German medical doctors are not the only ones saying the pandemic is a 'global crime'. In Spain a group of **600 medical doctors** called 'Doctors for Truth', made a similar statement during a press conference.

'Covid-19 is a false pandemic created for political purposes. This is a world dictatorship with a sanitary excuse. We urge doctors, the media and political authorities to stop this criminal operation, by spreading the truth.' (2)

What can you and I do?

What can we do to stop this global crime? As I said before: **become part of the worldwide freedom movement.** Don't sit and watch, but rise up and fly! You will receive empowering truth that helps you fight this corruption. You will also receive effective tools to share the truth with your own sphere of influence, even if it's just your family.

You will also learn how to become effective and powerful in your own life.

How to eat and live healthy and overcome sickness. How to be successful and reign as a king instead of suffer as a slave. And so much more. *Don't hesitate.* This is not just another email, this is *life changing and life saving.*
