

THE RED ROOM[®]

RED BLEND

The Red Room is a place where fantasy meets reality – a sexy and essential destination where something juicy and luscious awaits! Come visit for a tryst and be enticed to stay for a good, long while. Pleasure your senses with shades of bursting red cherries, hints of wild strawberries and a smooth lingering finish.

The Red Room is a blend of three grape varieties (Syrah, Merlot and Zinfandel) grown mainly in California's Lodi region. Lodi is influenced by cool coastal winds coming off the San Francisco Bay and provides warm days and cool nights. It has become a fantastic region for making elegant red wines.

Taste Descriptors

- Red cherries and wild strawberries
- Raspberries and blackberries
- Soft, medium-bodied with a light hint of oak on the finish
