LEASE OPTION ACKNOWLEDGEMENTS

1. **What is a Lease Option?** Leasing or renting a property with an option to buy it at a future date. The future price of the property should be fixed at the time the lease-option is signed. If Tenant/Buyer does not exercise their option within the agreed term, all option money, monthly rental payments and advances are non-refundable.
2. The total amount required for move in is the negotiated Option Fee, plus the first month's payment. Option fee is fully credited to the cost of the house. advance
3. Seller must own the home in Fee Simple (mortgage loan on home is fine). Cannot be sold by a family member or friend without a durable power of attorney.
4. Lease Options Agreements cannot exceed 3 years.
5. The Seller must provide and send their lender(s) an Authorization to Release Information so the Tenant/Buyer can verify the mortgage information prior to executing final documents.
6. Seller cannot raise the price in case of damage caused beyond the Tenant/Buyer's control, such as roof damaged caused by a storm.
7. The Seller must provide the Tenant/Buyer a monthly accounting of when the rental payments are received. We insist on a 3rd party rental servicer to comply with this important disclosure.
