[Check Facility Availability](#)

- Check the type of service you want (Family/Friend visit)
- Check your system: Your computer/electronic device will check the system for compatibility

#5 - APPROVAL FROM FACILITY

As with face-to-face facility visits, you must be approved. Follow the prompts to add your identification.

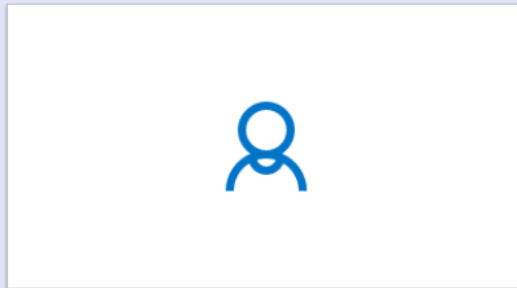

- 1 Service Selection
- 2 System Check
- 3 Document Upload
- 3 Facility Selection

You're Almost Done!

You must take two photos to submit for approval to the Correctional Facility.

In order to add Securus Video Visitation to your account, you are required to take a photo of your government issued photo ID and a photo of yourself. These images will be added to your Securus Online account and will be submitted to the correctional facility for approval where you would like to visit with an inmate.
