

THE DURABILITY AND DESIRABILITY OF THE LANDMARK® SERIES.

Come home to one of the most versatile laminated shingle collections ever created.

The Landmark Series was designed to evoke the depth and surface texture of natural roofing materials. And it shows.

Landmark shingles feature a soft shadowline lending the shingles a smooth, refined look. A look that is both striking and classical.

PROTECT YOURSELF.

Be sure to ask your roofing contractor for a copy of the CertainTeed product warranty or call the CertainTeed Home Institute at 800-782-8777 to request a copy. We make it easy for you to view our warranties and register your investment online at www.certainteed.com/warranty.

*See actual warranty for details and limitations.
Protected under the following patent: 5,951,800.

Landmark 50, Landmark 40, and Landmark 30 feature an identical style and color palette. However, additional weight creates a thicker dimensional profile.
