*Pennypickle's Workshop is the home of Professor Phineas T. Pennypickle, Ph.D., scientist, time traveler, and inventor of wacky and wonderful contraptions that amaze, delight, and educate children and adults alike. Every surface is occupied by pulleys, gears, cables, blueprints, and stuff. There are secret passageways and puzzles, machines and gizmos. Professor Pennypickle and his faithful little mouse friend, Beaker, have lots of fun activities planned for you every month (and sometimes they are a surprise... there are WAY too many exciting happenings to list here!). Be sure to call the Professor's hotline at (951) 308-6376, or check his website at [pennypickles.org](http://pennypickles.org) for detailed information or to purchase advance tickets. Children must be accompanied by an adult.*

## Amazing Events at the Workshop!

### HOGWARTS ACADEMY

**Monday, June 24, 10am-4:00pm**

**Fee:** \$150/child (siblings \$150 as well) recommended ages 7-12 yrs old

An extraordinary one-of-a-kind event for lovers of Harry Potter's school, Hogwarts! Focusing on science rather than magic, students of this all-day workshop will attend six different, amazing hands-on classes such as "Care of Magical Creatures", "Herbology", "Astronomy", "Divination", "Potions", and "Transfiguration". A Hogwarts themed light lunch and snacks are included and there will be lots of take-home goodies and surprises. Class space is limited and enrollment will end June 18, so be sure to reserve early!

### JULES VERNE LEGO® NIGHT

**Saturday, September 28, 6-8pm**

**Fee:** \$10/person - over age 2

Jules Verne, the father of science fiction, was known for his adventurous novels highlighting real and imagined technological advances like hot air balloons, locomotives, submarines, and other inventions that we now consider part of the Victorian-era Steampunk genre! Show off your LEGO® building skills tonight as you come up with something that we can display at our Pennypickle's Steampunk Halloween party (there will be prizes for the most Pennypickle-ish builds!). Use ours or bring some of your own (they may not be returned, though, so don't bring anything you wouldn't want to part with).

### SPY LAB FAMILY MYSTERY GAME

**Saturday, July 20, 6-8:30pm**

**Fee:** \$25/person - over age 2 - recommended ages 6 to adult

Your whole family will enjoy working together to beat the clock and solve a mystery! Use your best detective talents as you search the Workshop for clues and employ forensic skills like dusting for fingerprints, using a microscope, and deciphering secret codes. Don't forget to wear your spy disguise!

### HOGWARTS FAMILY GAME NIGHT

**Saturday, August 10, 6-8pm**

**Fee:** \$12/person - over age 2

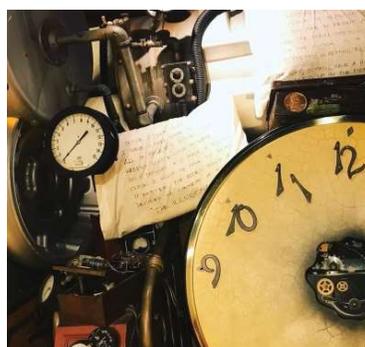

Are you a Harry Potter fan? Show your House spirit during this fun evening of costumes, trivia, games, contests, and magical experiments! Costumes are encouraged!

### PENNYPICKLE'S STEAMPUNK HALLOWEEN PARTY

**Saturday, October 19  
6-9pm**

**Fee:** \$15/person

Travel back to the world of Jules Verne as you enjoy an evening of exceptional fun for the entire family! Pennypickle's Workshop is a Victorian Steampunk fun house full of adventures, experiments, treats, and surprises for all ages...just what you're looking for during this season of imagination and dress

up. Pennypickle's Steampunk Halloween Party will be like NOTHING you can experience anywhere else - an amazing atmosphere, intriguing scavenger hunts, magical science demos, snacks, a peek at a Haunted Mansion, and MORE. We encourage you to wear your best steampunk costumes!

**Discover Science through Play!**

# Explore Science at Pennypickle's Workshop!

## SAVE THE DATE! SANTA ARRIVES

Friday, November 29, 6-9pm

The Professor lets his old friend borrow his comfy, cozy cottage just so you can visit him in an old-fashioned, non-commercial setting. Pennypickle's Workshop will be open from 10am-9pm on this special day, and Santa will entertain visitors from 6-9pm.

## PENNYPICKLE'S ENGINE WORKSHOP

The Professor has finally consented to make his fascinating engine collection available for viewing! Engines have been a passion of his since childhood and he knows that you will enjoy them as much as he does (dads and grandfathers may even remember being enthralled by them during their own younger days!). Be sure to see the Stirling engine that runs from the heat of a coffee cup. Pennypickle's ENGINE Workshop merchandise is available in the gift shop.

## SCOUTING GROUP FIELD TRIPS

Your scout (Boys or Girls) or home school group can join us to help fulfill their badge or curriculum requirements while having a great time at the Workshop! Science Labs will be held from 3:15-4:30pm on a date of your choosing (based on availability)...groups can stay to play until closing time at 5pm. Each group is required to have 6 or more members; you may be placed with another group in the Lab if there are less than a total of 20 children in a class and there are multiple requests for that day. The charge is \$12.50 per child; scout leaders, parents, and extra siblings (who may not stay in the Lab but can play in the Workshop with their adult) will be charged at current admission price. YOU MUST PRE-REGISTER by calling 951-308-6376. The following subjects are available at this time (CHOOSE ONE PER RESERVATION):

- Explore Space Science
- Nano Science Lab
- Let's Do Chemistry

## CURATED CHARTER & HOME SCHOOL FIELD TRIPS

Charter and Home Schools may request specialized field trip Science Labs. Dates and times will be arranged upon booking. Each group must have at least 6 participants. The charge is \$25 per child; parents and extra siblings (who may not stay in the lab but can play in the Workshop with their adult) will be charged the current admission price. YOU MUST PRE-REGISTER by calling 951-308-6376. The following subjects are available at this time (CHOOSE ONE PER RESERVATION):

- Rocks, Minerals, Fossils
- Mission on the Moon
- Nanoscale Science Lab
- Let's Do Chemistry
